9/26/34. Trees reported alive by a neighbor, but not watered. Have seen & in poor condition. Not likely that trees will do anything. A good sized Amer. blood chestnut on place, doing well. W.W.W. & G.F.G.

LIVE OAK, CALIF.

R. Ludewig 2/20/30 - 50 #78744 C. moll.

9/26/34. - 40 plants alive; 1 in chicken pen on road near house, 21 in north row, 14 in middle & 4 in 3rd row of chest. orchard, which is in north end of grape vineyard. Trees 14"-2' tall, much variation. Losses were due to drying. Large stake and shingle on south side of trees & no water.

G.F.G. & W.W.W.
