Quarterly Activities/Project Description*

The Connecticut Department of Public Health Drinking Water Section created a program to implement the ARRA infrastructure funding. During the October - December 2009 quarter, the Department verified 12 priority public water system infrastructure projects. All projects have filed ARRA financial assistance applications with the Department and meet all ARRA eligibility requirements. These 12 projects are at various stages of construction: 8 projects started construction;4 projects received Department authorization to award construction contracts. The Department has drafted the binding commitments (i.e. loan and subsidy agreements) for all 12 projects. Four loan agreements have been executed and the remaining 8 are obtaining signatures for execution. All loans are scheduled to be executed in advance of the February 17th, 2010 deadline.
