3. What You Need to Know About Arson Awareness Week

Join us for this new Podcast from CFITrainer.Net. Arson Awareness Week is coming, and as someone involved in fire investigation, it is important that we share any information that is available.

This month we welcome Tonya Hoover, the Superintendent of the National Fire Academy. Superintendent Hoover came to the NFA with more than 20 years of experience in local and state government, most recently as the California State Fire Marshal.

Hear her talk about this annual drive to remind our nation how to fight arson. This year, we

focus on the abandoned building issue. Superintendent Hoover talks to us about the issue and resources available to help you and your community. She also updates us on new initiatives at the National Fire Academy.

Join us now or when you have time. **Click here**.

Thanks from the CFITrainer.Net Team!

5. CFA Juvenile Firesetter Specialist I – New London – April 17 & 18 – Sign Up Now

The goal of the course is to provide the skills and tools necessary to become a Juvenile Firesetter Intervention Specialist I. The class will address the NFPA 1035 Juvenile Firesetter Intervention Specialist I including: Introduction; Primary Prevention; Identification and Intake; Who Sets Fires and Why?, and Interviewing and Intervention Strategies. Students will be introduced to the
NPFA 1035 Juvenile Firesetter Intervention Specialist I Professional Standard and the individual will learn to conduct an interview with a firesetter and their family using prepared forms and guidelines. They will also learn who, based on recommended practice, may determine the need for referral for counseling and/or implement educational intervention strategies to mitigate effects of firesetting behavior.

Course is designed for individuals that have responsibilities related to Juvenile Firesetting Intervention, interviewing, and prevention. The target audience includes practitioners who interact with children who are involved in firesetting and/or arson behavior and their families. In addition to the fire service, professionals from a myriad of fields including Mental Health, Law Enforcement, Education, Counseling Services, and Social Services can benefit from the training.
