---

## 2. Middlesex County Fire Chiefs Association September Meeting Notice

The Middlesex County Fire Chiefs Association Inc. will hold their regular monthly meeting on Wednesday, September 13, 2017 at the Killingworth Fire Department beginning at 19:00 hours.

---

**3. NFA Water Based Fire Protection Systems Plan Review**

**Connecticut Fire Academy: October 22-27, 2017**

**Course Number: 18068**

**Course description**
This six-day course will enable students to perform a plan review to evaluate the suitability of the fire sprinkler, pump, and standpipe plans and calculations in accordance with nationally recognized standards for design and installation. Course content covers fire protection standards, plan reading, water supplies, building envelope features, fire protection hydraulics mathematics, fire pumps, sprinkler systems, and standpipe systems.

**Selection criteria**
Anyone responsible for the review and/or approval of building and fire/life safety design in the regulatory process. This includes building officials, fire marshals, insurance representatives, and designers/architects. Preference will be given to applicants who have previously attended National Fire Academy's "Fire Inspection Principles" (R0220) and/or "Fire and Life Safety Plan Review" (R0132).

**Prerequisites**
1. Incident Command System (ICS)-100-level and ICS-200-level training. Preferred courses are Q0462 and Q0463, available through NFA Online at www.usfa.fema.gov/training/nfa/courses/online.html. Chief's signature attests that the applicant has completed this required training.

2. Working knowledge and understanding of prescriptive codes and fundamental understanding of fire behavior.

3. Three or more years of experience in either a code enforcement or fire safety inspection function.

4. Students in the fire service should not have less than three years' experience in either a code enforcement or fire safety inspection/plan review function.

5. Allied professionals should possess an associate degree in engineering, architecture, building design, or risk management from an accredited college.

This course has been approved for 32 hours of continuing education credit from OEDM.

Please use the attached NFA application

**4. Retirement Party for Dan & John Nolan, Hartford Fire Department**

An old fashioned retirement party will be held for Dan and John Nolan on Friday, October 6th from 6:30 p.m. to 11:00 p.m. at the Aqua Turf Club, 56 Mulberry Street in Plantsville, CT. Come join the Nolan brothers for a night of humorous stories and laughter as they celebrate 60 years of combined service to the Hartford Fire Department. Price is $65 and includes Top Shelf Open Bar Hors D'oeuvre's, Hand Sliced Sirloin, Backed Scrod, Roasted Turkey with Stuffing. See the attached for ticket information.

---

**5. Planning Section Chief – Mystic CT**

Due to instructor availability the class dates have changed

This course is to teach the roles and responsibilities of a planning section chief. It details the various units within the planning section, using lecture and practical exercises to enforce the key responsibilities within each specified unit and technical specialists that are brought in to support the incident. This section is the key component for ensuring resource tracking, mapping, documentation, situational status, a systematic release through demobilization and finally the preparation of the incident action plan (IAP) for the next operational period.

Class specifics: October 30-November 2, 2017 0830 to 1630
Course # 18013
Mystic Hoxie Engine Company
34 Broadway Ave Mystic, CT 06355

See Application using the following link: http://www.ct.gov/cfpc/cwp/view.asp?Q=574030&A=832

The cost is $125 per person and includes the student manual.

Any questions please contact Jackie Kilby Richards at Jacklyn.kilby-richards@ct.gov
