1. Monthly Certification Written Exams at Fairfield Regional Fire School

A Certification Written Exam will be held at the Fairfield County Regional Fire School on September 14th. Future tests will be held the second Thursday of the month with a start time of 9:00am. Any questions, please contact Jason Decremer, Director of Certification at 860-264-9225 or jason.decremer@ct.gov

---

2. IFSTA Seeking Validation Committee Members

IFSTA is currently seeking members for three new committees that will begin their work at the
2018 IFSTA Validation Conference to be held in Oklahoma in July, 2018.

The new committees will be:
• Fire and Inspection and Code Enforcement, 9th edition
• Fire Investigator, 3rd edition
• Fire and Life Safety Educator, 4th edition

Individuals with interest in this topic are encouraged to apply. Please fill out the attached application
form and return it to IFSTA/FPP no later than December 30, 2017. All applicants will be notified
of the disposition of their application on or around February 1, 2018. You may also fill out the
application online at www.ifsta.org.

---

3. NFA Pilot Recruitment – New Online Mediated Course

The National Fire Academy is recruiting students to pilot test its new online mediated course ***Training Program Design***. The course code is M0576.

This asynchronous online mediated course balances self-study components with interactions and discussions between the students and the instructor.

This is a 6-week course scheduled for October 15- November 25.
Additional information, including course requirements, application information, and course syllabus are available at: https://nfa.usfa.fema.gov/misc/M0576_Oct_2017.pdf

---

4. Gateway Community College Revised Associates Degree In Fire Science & Technology

Gateway Community College to offer revised Associates Degree in Fire Science & Technology.
Please see attachment for the newly modified program curriculum.

---

7. Pet Oxygen Masks

A local woman is interested in looking for any fire departments who may want to get pet oxygen masks donated to them. She will be working on fund raising efforts to provide the masks to departments free of charge. She was inspired by a story of two girl scouts in CA who spearheaded a similar effort. If your department is interested, you are encouraged to contact Bernadette Nachand at Bnach0001@mail.ct.edu.
