**WELDER QUALIFICATION PROGRAM  
 FORM**

Rev. 12-20  
[www.ct.gov/dot](http://www.ct.gov/dot)  
 (Doing Business with CTDOT-->Forms)

**REQUIREMENTS: Listed below are the requirements necessary to obtain or renew, a Welder Qualification from the Connecticut Department of Transportation (ConnDOT):**

1. New applicants must receive a Welder Qualification Test from an approved Testing Agency listed on page 2. ConnDOT also reserves the right to require a Welder Qualification Test at any time. A digital photo must be submitted with a new application or renewal application.
2. Welder Qualification Documents must be carried on your person and shown to ConnDOT Staff whenever welding is performed on ConnDOT Projects. The use of a ConnDOT issued Welder Qualification for any other business is prohibited.
3. The Welder Qualification Documents shall remain the property of ConnDOT and as such, reserves the right to revoke any Welder Qualification at any time.
4. The Welder Qualification must be renewed by emailing this form and a digital photograph to [DOT.Steel@ct.gov](mailto:DOT.Steel@ct.gov) every two years. Welders are responsible for maintaining continuity logs and are not require to update every six months. Continuity logs shall be available upon Department request and submitted at time of renewal. Failure to present continuity logs will result in a loss of Qualification. A Welder must be performing welding on ConnDOT projects to be renewed. Failure to renew within six-months of your expiration date, will require a new Welder Qualification Test.
