Elizabeth Jamieson
Transcend Wireless
10 Industrial Avenue, Suite 3
Mahwah, New Jersey 07430

RE: **EM-T-MOBILE-015-180620** - T-Mobile Northeast LLC notice of intent to modify an existing telecommunications facility located at 623 Pine Street, Bridgeport, Connecticut.

Dear Ms. Jamieson:

The Connecticut Siting Council (Council) received a notice of intent to modify the above-referenced facility on June 20, 2018.

According to Section 16-50j-71 of the Regulations of Connecticut State Agencies, "…any modification, as defined in Section 16-50j-2a of the Regulations of Connecticut State Agencies, to an existing tower site, except as specified in Sections 16-50j-72 and 16-50j-88 of the Regulations of Connecticut State Agencies, may have a substantial adverse environmental effect."

Staff has reviewed this exempt modification request for completeness and has identified a deficiency in the filing due to an inconsistency in the references between the Structural Analysis (SA) Report dated May 25, 2018 and the Site Plan Sheet No. A-1 with the structural note referencing a May 8, 2018 SA Report.

The above referenced request for exempt modification filing shows non-matching dates on the SA Report and the Site Plan.

Therefore, the exempt modification request is incomplete at this time. The Council recommends that Transcend Wireless provide an updated site plan showing matching dates to the current SA report on or before July 9, 2018. If additional time is needed to gather the requested information, please submit a written request for an extension of time prior to July 9, 2018.

This notice of incompletion shall have the effect of tolling the Federal Communications Commission (FCC) 60-day timeframe in accordance with Paragraph 217 of the FCC Wireless Infrastructure Report and Order issued on October 21, 2014 (FCC 14-153).

Thank you for your attention to this matter. Should you have any questions, please feel free to contact me at 860-827-2951.

Sincerely,

Melanie Bachman
Executive Director
