WORKFORCE TRAINING BUDGET TEMPLATE

Cannabis Establishments must detail training programs being used to support their existing and future workforce, helping employees to gain relevant credentials to their license type. Institutions and programs being leveraged to support training must be included. Please use this budget to include the aforementioned information, as well as the allocated cost per employee for training and detail the options for financial assistance.

Cannabis Establishment Name			
Training Program	Relevance to License	Cost Per Employee Allocated	Financial Assistance Option if Applicable
Total:		0
