Most people don't know the difference a closed door makes in a fire. YOU CAN CHANGE THAT. Introducing the "Close Before You Doze" campaign

As a firefighter, you know that closing doors is a key tactic to isolate the flow of fire. Help share the benefit of that tactic with your community by encouraging families to close their doors as a preventative action against their homes.

SLAM Video - https://youtu.be/WouIpZZzLmA

For a limited time your department can receive $250 of free resources to share with your community. Visit https://fireservice.closeyourdoor.org/ to learn more and obtain your free resources.
