5. Requirements for Hosting Certification Examinations FFI/HMWMD

Ensuring that host entities and lead instructors are prepared to enter the Certification Examination system for FF1/HMWMD, requires a series of steps and paperwork to be submitted into the Certification Division office. We have prepared a guidebook that can be easily referenced when getting a course organized and setting dates for the Live Burn Audit, Practical Exam, and Written Exam. We encourage the use of this document to help with a smooth entry into the examination system for new fire fighter candidates. Any questions, please contact Certification Director Jason Decremer at 860-264-9225 or jason.decremer@ct.gov
