2. NBEMSA is excited to present the EMS Supervisor Series by acclaimed lecturer Jon Politis

Nationally renowned EMS lecturer and educator Jon Politis will join us to present his

acclaimed workshop as seen at JEMS-EMS Today and EMS World.

The first part of this series is the March 29th – 30th : 2 Day **Supervisor Boot Camp** on March 29th and 30th. Congratulations you've been promoted to supervisor! Now What? An interactive workshop intended to ease the sometimes painful transition to leadership using real world experience, and case studies.

The second part of the series is March 31st: 1 Day **EMS Command School :** *Strategy, Tactics and Techniques for Major EMS Incidents*. Focused on strategy and tactics of commanding EMS incidents from the two car MVA to major long duration events. Using lecture, tabletop exercise, drills, and case studies to teach the essential concepts and skills needed to be effective at EMS Command functions.

Register for one or both.

3. Gateway Community College Fire Technology Courses

GWCC is now accepting applications for the spring 2018 semester

Gateway Community College is offering the following courses in the *Fire Technology Program*. These classes are
part of a revised curriculum designed to correlate with the National Fire Academy, *Fire and Emergency Services Higher Education (FESHE)* model.

Freshman level college courses that can be taken independently or in conjunction with full matriculation into the fire technology associates degree program.

These classes offer a great opportunity for firefighters who are considering advancing their knowledge and careers
without taking a fulltime academic workload. These classes are fundamental to most fire science curriculum and can easily be applied toward an undergraduate degree in *Fire Technology*.

FTA 112 Introduction to Fire Technology: Monday evening 7:00pm-950pm.

FTA 219 Fire Investigation: Wednesday evenings 7:00pm-9:50pm

Spring semester calendar: January 17, 2018 – May 12, 2018
All classes held at Gateway Community College downtown campus.
Registration can be completed online. Please visit Gateway Community College Website at www.gatewayct.edu or contact Dmarcarelli@gwcc.commnet.edu for further information.

4. Emergency Medical Technician Course - East Hampton – Starts Monday

Dates/Times: January 8th - April 5th 2018 - Monday, Tuesday, Thursday 6 PM - 10 PM
Location: East Hampton Ambulance Association - 4 Middletown Ave. East Hampton, CT

06424

Details: East Hampton Ambulance Association is hosting an EMT course in conjunction with Code One Training Solutions. The 180 hour course combines classroom lectures, hands on practical training and 20 hours of clinical observation. Upon completion of the course students will be able to test for their CT and National Reg certification.

Invoicing: Fire/EMS/Police agencies can be invoiced for participants. Please have participants register with the discount code "INVOICE" and then provide invoicing instructions in their registration notes. Invoicing instructions should include the agency name, point of contact, email to send the invoice to, and PO number if it is needed on the invoice. If you have 4+ participants interested in attending, please contact Rich for a group discount (rich@code1web.com).

Register: Participants can register at www.code1web.com/emt

7. NIOSH Fire Fighter Fatality Investigation and Prevention Program Report

Fire Fighter Falls through Floor and Dies at Residential Structure Fire—Ohio

A career fire fighter died due to thermal injuries and smoke inhalation with severe pulmonary edema at a residential structure fire. As the fire fighter crawled into the structure, following a hoseline, the floor collapsed and he fell into the basement. The fire fighter was pronounced dead at the hospital. To view the report visit:
https://www.cdc.gov/niosh/fire/reports/face201519.html
