5. Litchfield County Fire Chiefs Emergnecy Plan/Litchfield County Regional Fire School Announce New Web Page

The Litchfield County Fire Chiefs Emergency Plan, Inc. and the Litchfield County Regional Fire School are proud to announce the launch of our new web page. The web page includes information about the county plan and the fire school. The Burrville State Fire School is in the process of being rebuilt and as part of the process was renamed to the Litchfield County Regional Fire School. The fire school section of the web site includes a section with updates of the rebuilding process including pictures. We will attempt to provide weekly updates. The link to the site is: https://sites.google.com/litchfieldcountychiefs.org/home/home. The new facility is slated to be finished late this summer in time for fall classes.

7. NIOSH Fire Fighter Fatality Investigation and Prevention Program Report

Captain Suffers a Heart Attack at a Motor Vehicle Fire and Subsequently Dies – Nebraska(https://www.cdc.gov/niosh/fire/reports/face201614.html)
A volunteer captain participated in extrication training. The fire department was then dispatched to two emergency events. After a vehicle fire was under control, the captain remained at the scene. As the captain prepared to leave, he did not feel well. The captain got into an ambulance on the scene and collapsed. The captain was pronounced dead at the hospital.

38-Year Old Captain Suffers a Heart Attack at a Medical Call and Dies 4 Days Later – Nebraska(https://www.cdc.gov/niosh/fire/reports/face201615.html)
A volunteer captain responded to an emergency medical call. While helping transfer a patient, he felt as though “someone had dropped the car” on his chest. The captain drove to the fire station. He was taken to a hospital where he died.
