1. Introduction to the Fire Service Graduation Ceremony This Saturday, June 30, 2018 at 11:00 am

Introduction to the Fire Service Summer Camp Program Graduation Ceremony to Take Place in Windsor Locks on Saturday, June 30, 2018

(Windsor Locks, CT) - The Connecticut Fire Academy is proud to announce the graduation of the Introduction to the Fire Service (ITTFS) Program. A select group of 29 members of local fire department Cadet, Junior and Explorer programs, ages 16 to 17, will graduate on Saturday, June 30, 2018. The ceremony will take place at 11:00 AM at the Connecticut Fire Academy located at 34 Perimeter Road in Windsor Locks.

The six-day residential program runs from June 25 through June 30. Throughout the program, character, mutual and self-respect, individual empowerment and teamwork are emphasized as students participate in physical fitness training, learn in a classroom setting, compete in team-based activities and progress in squads through a series of practical training evolutions divided into engine, ladder and rescue company operations.

Over the past 22 years, the program has evolved from two five-day sessions each summer to three, six-day residential sessions. Many alumni of the program have gone on to become career firefighters.
Two additional camps to include an Advance Skills and Concepts programs for previous ITTFS graduates will be held the week of July 16 and August 6.

The media is invited to attend the graduation which includes an emergency scene scenario demonstration of all the activities learned during the week. Please contact Program Coordinator Alan Zygmunt at 860-264-9222 should you be interested in attending.

The Connecticut Fire Academy is the teaching arm of the Connecticut Commission on Fire Prevention and Control, a Division of the Department of Emergency Services and Public Protection. Their mission is to serve as the primary source of education and training for Connecticut firefighters.

2. K9 Mattie Monument Unveiling – July 21, 2018

Tails of Hope Foundation, Inc. cordially invites you to the unveiling ceremony of the K9 "Mattie" Monument, a memorial to the world's first laboratory validated Accelerant Detection Canine trained by the Connecticut State Police. The dedication ceremony will take place on Saturday, July 21, 2018 at 2:30 pm at the Connecticut Fire Academy, 34 Perimeter Road, Windsor Locks, Connecticut. Please join us as we honor K9 "Mattie" and all of the Connecticut State Police Accelerant Detection Canines. Light refreshments will be served following the ceremony.

See attached invitation

8. Yale New Haven Hospital Center for EMS 2018 Paramedic Program

APPLICATION DEADLINE FAST APPROACHING! The Yale New Haven Hospital Center for EMS (YNHH-CEMS) is currently accepting applications for the September 2018 Certificate Paramedic Program. This accredited program runs for 5 semesters (20 months). For the first 4 semesters, students will meet twice per week for lecture and once every other week for labs. During this time, students will also be required to attend 1 clinical shift per week on average. For the final semester, students will meet once per week for 8 hours as well as complete their field internship with PFIs located in both commercial EMS services and

fire department-based services. Our program also offers exclusive YNHH clinical sites and 5 classes at the Yale School of Medicine's Cadaver Lab. Applications and inquiries can be obtained by emailing paul.clinijr@ynhh.org, or in person at our campus on 77 Willow St. Suite D in New Haven, CT. Additional information can be found on our website, www.ynhh.org/cems.
