1. Advanced Vehicle Extrication - New Haven June 20th & 21st

Sign up today

There are 5 openings left for the Advanced Vehicle Extrication Class in New Haven on June 20 and 21.

This two-day program is designed to provide the experienced student with realistic scenarios involving different problematic extrication. The objectives of this class are to provide the student an environment to implement an incident management system at motor vehicle incidents, along with contemporary extrication
and stabilization techniques. Vehicles will be in compromising positions providing students with challenging scenarios.

Full protective clothing (no SCBA) required.

Course # 18225
Price is $330

---

2. Beacon Hose Truck 6 Wetdown

Beacon Hose Co. No. 1 will host a wetdown for its new Truck 6 this Sunday, June 24, at noon at the firehouse on North Main Street in Beacon Falls. There will be complimentary bologna sandwiches at the event, and all departments are welcome to bring apparatus to help celebrate the occasion. A limited number of commemorative T-shirts will be on sale. For more information, contact Capt. Cal Brennan at 203-598-8827.

4. National Fire Academy Pilot Recruitment – New On-line Mediated Course

The National Fire Academy is recruiting students to pilot test its new online mediated course *Introduction to Geographic Intelligence for Fire and Emergency Services*. The course code is M0589.

This asynchronous online mediated course balances self-study components with interactions and discussions between the students and the instructor.

This 5-week course provides introductory level information about geographic intelligence and geographic information systems (GIS).

The course is scheduled for August 5 through September 8.

Additional information, including course requirements and course syllabus are available at: https://nfa.usfa.fema.gov/misc/M0589_Pilot_August-2018.pdf
