1. Certification Written Exam @ Fairfield Fire School on February 8th at 9:00am -

There is still time to send in written examination applications for the monthly written examination held at the Fairfield Regional Fire School on Feb. 8th. Applications for this, and all written exams, are due 10 prior to the testing date. A listing of upcoming written examination locations, dates, and times is located on the Commission on Fire Prevention and Control website. Click the Certification link on the right side of the page, click Exam Schedules, and click Written Certification Examinations. The list is frequently updated as test are added.

---

2. Certification Examination Reference List

All of the written examinations administered by the Commission on Fire Prevention and Control are referenced to NFPA standards and other reference materials, including textbooks. The reference list is updated as standards and textbooks for levels of certifications change. The full list is located on the CFPC website.

It can be found by clicking the link for Certification on the left side of the main page, followed by the link **Examination Reference Materials**. If you have questions, please contact Certification Director Jason Decremer at 860-264-9225 or jason.decremer@ct.gov

---

5. EBA&D Seeks an Accomplished Professional for the Position of Security Officer/EMT

EBA&D seeks an accomplished professional for the position of Security Officer, reporting to the Security Supervisor. This is a **second/third shift position** (3PM-11PM/11PM-7AM).

The Security Officer is responsible for the physical security and safety of Ensign-Bickford Aerospace & Defense and Simsbury Dyno Nobel. This includes security enforcement, administering visitor and contractor access, vehicle control, emergency response, reporting and documenting incidents, CCTV monitoring and walking patrols.

- Monitor alarms in Security Control and advise mobile unit via radio communications to respond to alarms (Cardkey, panel, facility). Determine appropriate response and make contacts to correct alarm conditions.
- Monitor and control access of employees, contractors and visitors, determining and confirming the purpose of their visit, that they have proper authorization and an escort if necessary
- Emergency responses, treat medically as needed and assist in all other emergencies as directed by incident scene commanders
- Perform property, building, grounds and key station checks to ensure perimeter and building/s security. Report problems to security control using mobile radio for corrective actions.
- Mobile patrols for employee safety, enforcement of parking restrictions; take corrective actions of violations noted and report same.
- Maintain Security Department resources such as security control, vehicle, trailers and various equipment. Report deficiencies and re-supply as necessary.
- Document incidents, visitors, contractors, alarms and responses using appropriate forms, both electronic and paper
- Other duties as assigned

Attached is job positing and see here for link to apply http://www.eba-d.com/careers/career-opportunities/security-guard/

6. CFA - EMT Refresher – February 2018

Seats Still Available: Emergency Medical Technician Refresher (EMT-R)
Sponsor: Connecticut Fire Academy

There are plenty of open seats for the EMT Refresher to be held at the Connecticut Fire Academy February 6,8,13 & 15, 2018

Emergency Medical Technician Refresher (EMT-R) Class to be held at the CFA
This course reviews and refreshes knowledge and skills required for Emergency Medical Technicians currently certified according to the latest U.S. DOT EMT/ EMR-Basic National Standard Curriculum. Classroom and "hands-on" training will update the EMT/EMR on current practices and confirm skill levels. A review and renewal of Healthcare Provider CPR will be conducted in conformance with the latest JAMA standards through approved

programs of the American Heart Association. Written and practical examinations will be conducted in
conformance with the policies established by the State of Connecticut Department of Public Health.

Training Prerequisites: Certified Emergency Medical Technician/Emergency Medical Responder. Proof must be submitted with application.

Required Text: Jones and Bartlett: American Academy of Orthopedic Surgeons (AAOS) Emergency Medical Technician Transition Manual.

Class Hours: 32
Course Fee: $275.00
Course Number: 17510

7. 2018 Connecticut Fire Officer's Weekend – Application Deadline - THIS FRIDAY

Applications must be submitted to the Connecticut Fire Academy by **Friday, January 26, 2018.**

Applications are now available for the 2018 Connecticut Fire Officer's Weekend at the National Fire Academy in Emmitsburg, Maryland March 23, 24 and 25, 2018. This weekend is a chance for Connecticut fire service personnel to experience the superior level of fire related education available at the National Fire Academy. Applicants have a choice of one of six classes, two of which have fire marshal credits available. Please review and download the attached flyer and application for information pertaining to available classes, your arrival at the NFA, as well as NFA policies. The cost of the weekend is $125.00 which includes a class, lodging and meals. Students are responsible to provide their own transportation to and from the National Fire Academy.

See the Flyer and Application on our web page below
http://www.ct.gov/cfpc/cwp/view.asp?Q=599304&A=833

Follow these steps to complete your application and be ready for registration

- Applicants are requested to prioritize their class choices from 1-6, on the application, final class assignments are determined by officer rank and years in rank.
- The Weekend application must be completely filled out, signed by your department chief, and returned to the Connecticut Fire Academy registrar by Friday January 26, 2018.
- The National Fire Academy is no longer accepting applications with a Social Security number; you will be required to register for a Student Identification number online which will be used on the NFA application. If you registered for a student ID for a previous class you should continue to use that number.
- You will also be asked for your CFA student identification on the back of the application to keep your Connecticut Fire Academy transcript complete.
- In order to complete on-site registration at the National Fire Academy, and enter the

National Emergency Training Center (NETC) campus, students are required to show photo identification.

- As of Oct. 10, 2015, you must have an identification card that meets REAL ID Act standards to enter campus without an escort.
- In Connecticut REAL ID Licenses or “Verified” licenses are an option when you renew your operator’s license. Your current license or ID card will be honored at airports and federal buildings until its expiration. In Connecticut renewals are done only 60 days in advance of the expiration date.
- If your license contains the statement “NOT FOR FEDERAL IDENTIFICATION” you will have to provide one of the additional document listed below.
- A valid, unexpired U.S. passport or passport card.
- A valid, unexpired federal employee/military/veteran ID card.
- A valid, unexpired state-enhanced driver's license.

Applications for NFA courses that do not include a SID will not be processed.

To obtain a SID
1. Register at https://cdp.dhs.gov/femasid
2. Select "Register for a FEMA SID" in the center of the screen.
3. Follow the instructions to create your account.
4. You will receive an email with your SID. Save this number in a secure location. This number will be used for all National Fire Academy classes, now and in the future.

The Connecticut Fire Officer's Weekend agenda includes a Friday evening Memorial Service for Fallen Connecticut Firefighters at the National Fallen Firefighters Memorial, an orientation in J building auditorium followed by a social gathering in the Student Center. Saturday is a full day of classes with a barbecue in the evening. Classes run through mid-afternoon on Sunday prior to dismissal. The Connecticut Fire Officer's Weekend is not only a tremendous learning opportunity but also a great way to network with other fire personnel and instructors.

---

8. Strategy & Tactics: Fundamentals - Guilford

This two day course introduces the officer candidate to the philosophy and tools required for leadership decision making during emergencies. Subjects covered will be a review of the National Incident Management System (NIMS), Incident Priorities and Decision making, the basics of fire behavior and building construction, “size-up”, evaluation and assessment as well as the difference between “strategy and tactics” using such tools as Layman’s Tactical Model and RECEO VS, Terpak’s COAL TWAS WEALTHS or Norman’s version COAL WAS WEALTH and offensive versus defensive operations.

Class Hours: 16
Course Fee: $85.00
Course # 17559
Location: 390 Church Street, Guilford

Please use the CFA Application found on our web page

http://www.ct.gov/cfpc/cwp/view.asp?Q=599068&A=833

9. ITTFS 2018 Applications

Applications now available for the 2018 ITTFS programs offered this summer.

Introduction to the Fire Service- Introduction To The Fire Service (ITTFS) is designed to provide youths between the ages of 14 and 17 with an opportunity to explore the Fire Service. A strong emphasis is placed on teamwork, self– and mutual respect and character as students select their own leaders and learn the basics of Fire Department organization, the Incident Command System and the core fire-ground skills required of successful engine, ladder and rescue company personnel.

Advanced Introduction to the Fire Service – This program will prepare youths ages 16-17 who have attended the ITTFS program for the Fire Service. Students will be exposed to a series of advanced skills and concepts designed to expand and sharpen their skill and knowledge base and leadership abilities. Some of the topics covered include: Vehicle Extrication, High-Angle Rescue, Standpipe Operations, Introduction to Self-Contained Breathing Apparatus, Pump Operations, Teaching Methodology and Leadership.
