5. Tanker Operations\Mobile Water Supply Class

There are openings for the September 23rd and 24th tanker class in Torrington.

This is a two–day class covering the importance of pre-planning water sources and rural water operations. Class includes safe tanker operations, driving, filling, and dumping, evaluation of fill and dump sites, and mutual aid and tanker task force concepts.

You do not need Pump Operator certification to take this class. However, any students who are certified Pump Operator and hold either a CDL or Q endorsement driver's license will qualify to take the Mobile Water Supply written certification exam. Full PPE (no SCBA), training pre-requisite is Certified Fire Fighter I.

Tuition is $100, course number 18032
