1. Funeral Service Information for FF Scott Johnson – New Britain F.D.

It is with deep sorrow the New Britain Fire Department announces the passing of Firefighter Scott Johnson. Details are as follows, JOHNSON, DCC Scott R. DCC Scott R. Johnson UCGC (Ret.), beloved son of Roy and Sharel Johnson, died Aug. 16, 2017 after a valiant struggle with colorectal cancer. He was born Sept. 25, 1973 in Chicago and remained a Chicagoan till the very end. Scott's life is marked by service and he distinguished himself by serving his country and his community. In 1998 Scott enlisted in the U.S. Coast Guard, serving most notably aboard the USCG Cutter Gallatin (WHEC-721) and the USCG Cutter Reliance (WMEC-615) and achieving the rank of Chief Damage Controlman (E-7) in 2014. His awards include the Coast Guard Commendation Medal and the Coast Guard Achievement Medal. Further, Scott graduated from Recruit Class 40 of the Connecticut Fire Academy in 2007 and joined the New Britain Fire Department. He served with NBFD Engine Co. 8, NBFD Engine Co. 2 and the NBFD Fleet & Facilities Division. Scott's life touched many, and his impact is far and wide. Known for his sincere faith in Christ, his sense of humor, his jovial manner, his love of the Chicago Cubs and eggs, Scott left behind

many who loved him extending far beyond his immediate family. Scott's family would like to express their deep gratitude to the medical professionals who cared for, supported and loved on Scott for the past two years. Further, the family is incredibly thankful for the love and support from both the New Britain Fire Department and the U.S. Coast Guard; both organizations have exemplified true faith and allegiance to Scott by transcending their obligations and duties and easing the burden of this loss. Their assistance has been invaluable during this time. Scott is survived by his wife Caroline and three beautiful sons Zackary, Benjamin and Jacob; his mother Sharel Johnson; his brother Lt. Col. Karl "KJ" Johnson USMC (Ret.) and wife Nidia; and his loving nieces Selena and Sara.

Calling hours will be at the New Britain Memorial-Sagarino Funeral Home on Aug. 21, 2017 from 4:00 - 8:00 p.m., and his memorial service will be at St. Paul Catholic Parish in Kensington on Aug. 22, 2017 at 11:00 a.m. Scott will be laid to rest with his father, SSgt. Roy R. Johnson USMC (Ret.) at Arlington National Cemetery in Washington, D.C. at a date to be announced.

Any uniformed personnel wishing to attend the services are requested to do so in Class A dress uniform. Thank you.

11. Side by Side Live Fire Sprinkler Burn Demo at the CFA – Public Invited

Side-by-side fires to be set by the CT Fire Sprinkler Coalition at the Public Fire and Life Safety Educator Conference to help Connecticut residents understand home fire risks and home safety technology

WHO: CT Fire Sprinkler Coalition and the Public Fire and Life Safety Educators

WHAT: A live, side-by-side fire and sprinkler burn demonstration that vividly shows the tremendous speed of a typical home fire and its potential for deadly destruction. Also illustrated is the vital importance of home fire safety technology that can save lives and reduce property damage (smoke alarms and home fire sprinkler systems). The demonstration is open to the public.

WHEN: Thursday, August 24, 2017, 1:00 PM

WHERE: The CT Fire Academy
34 Perimeter Road, Windsor Locks, CT 06096

WHY: All U.S. model building codes include the requirement—not the option—to install fire sprinklers in new homes. More than 80 percent of all fire deaths occur in the home. The CT Fire Sprinkler Coalition is using this important event to help people of every age understand how dangerous a home fire is, and how important prevention, detection, suppression and escape are. Connecticut's code-making body has refused to adopt this requirement each time it has updated the state building code since 2010. Similarly, legislative bills that would have required this life-saving technology have been defeated with help from local fire sprinkler

opponents. These opponents, claim this technology is “burdensome, not necessary, expensive”— all myths countered by solid research.
