3. Managing Disciplinary Challenges in the Fire Service – Hartford – August 29-30

This 2-day program is intended for chiefs and fire officers who may have to investigate misconduct by firefighters, as well as union representatives who may need to advise members during an internal investigation. The program looks at the causes for disciplinary problems and explains proven methods for conducting a fair and impartial investigation. Attendees will learn how to organize and conduct an investigation, interview witnesses and preserve evidence, and find the truth while respecting the honorable service that firefighters provide. The course will also look at strategic steps that fire service leaders need to consider when addressing disciplinary issues. Due process, Weingarten, Garrity and firefighter bill of rights laws are thoroughly covered. The program uses numerous case studies pulled from today's headlines.
