**2. June School University of New Haven**

**Attention June School attendees!** The University of New Haven will be in the house … **Wednesday June 6th CFA Lobby**

If you have been putting off starting your Bachelor's Degree or FINISHING your degree, now is the time to see where you stand!

A representative from the Admissions office as well as a faculty member will be available to evaluate your past education to see what you have left to finish your degree.
Please come with transcripts of prior academic work as well as your fire certifications and we will map out a plan of next steps for you!

**Don't put it off! Do it now!!**

As a fire science major at the University of New Haven, you will be joining one of the largest, most comprehensive fire science programs in the country. You will learn the science of what gives a fire life, what keeps it burning, and the techniques and tactics to put it out. You will learn to battle blazes, lead teams, and prevent fires from starting in the first place. And, you'll focus your career path by choosing one of two concentrations:

- **Fire Administration:** Learn fire department best practices and department command structure as you develop the skills needed to become a leader.
- **Fire/Arson Investigation:** Prepare for a career in fire investigation, arson/fraud detection, and code enforcement as you earn a minor in criminal justice.

For further information, please contact

**5. School Safety Conference 2018 – The Woodstock Academy**

**Dates/Times:** June 11, 2018 to July 12, 2018 - Monday through Thursday - 9:00 AM to 5:00 PM
**Location:** Code One East Hartford - 121 Roberts Street East Hartford, CT 06108
**Details:** Code One's 5 week, 180 hour intensive Emergency Medical Technician program has graduated hundreds of professional responders since the first program began in 2007. Code One graduates work and volunteer throughout the United States and include police officers, military, firefighters, and federal agents. Many Code One graduates have furthered their education in emergency medicine and now work as nurses, physicians, and paramedics. Code One's team of instructors are motivated to provide the best training program available.
**Invoicing:** Fire/EMS/Police agencies can be invoiced for participants. Please have participants register with the discount code "INVOICE" and then provide invoicing instructions in their registration notes. Invoicing instructions should include the agency name, point of contact, email to send the invoice to, and PO number if it is needed on the invoice.

**Register:** Participants can register at https://code1web.com/accelerated-emergency-medical-technician

**7. National Honor Guard Academy is Coming to CT**

An incredible opportunity is coming soon to CT. The National Honor Guard Academy will be teaching at the CFA July 29-Aug 3. If your current Honor Guard needs some polishing or you are thinking about starting an honor guard, this is the workshop for you. Come learn first-hand where tradition meets precision.

The NHGA is one of the premier honor guard training units in the country. This week long course is dedicated to developing and elevating the ceremonial knowledge and skill level of honor guard units while reinforcing a sense of pride and compassion by upholding honor guard traditions with precise attention to detail. The NHGA specializes in providing honor guard training to firefighters, police officers, and EMS personnel.

**8. TSA TO HOST RAIL SYMPOSIUM**

May 25 - On Friday, May 25 2018 TSA will be hosting a Rail Symposium for Law enforcement at the Connecticut Fire Academy from 0930-1400. TSA's Surface Inspection Team will provide an overview on the various rail companies in Connecticut, the lines they run on, and the cargo they carry. The FBI Joint Terrorism Task Force will discuss some recent cases that represented threats to rail security in Connecticut, and the applicable federal laws. Amtrak Police Department's Central Investigation Unit will provide a presentation on police response to rail related incidents within the state of Connecticut, as well as response guidelines, safe operation around the equipment, and other responsibilities to partner agencies. They will also discuss the new expanded shuttle service between Springfield and New Haven. Guest speakers from the Federal Railroad Administration are also scheduled to attend and provide a presentation on FRA responses to rail incidents, as are members of the CT Department of transportation. Although primarily for law enforcement, first response agency leaders that are likely to respond to a rail event are welcome to attend. This symposium will present an excellent opportunity to build relationships and prepare for a collaborative response to rail incidents

The Connecticut Fire Academy is located at 34 Perimeter Road, Windsor Locks, CT, 06096. If your department would like to send representatives to this unique event, please send an e-mail message to Assistant Federal Security Director Steven Blindbury at steven.blindbury@tsa.dhs.gov. Please include the rank and name of each attendee, along with a POC. Confirmation will be sent with additional guidance before the scheduled event. Attendance is limited to 100 guests, so please respond in a timely manner if your agency is interested in sending representatives
