7. CFA Incident Safety Officer: Fire Suppression – Starting March 10, 2018 – Westport

Sign up NOW

The goal of this course is to provide students with the knowledge and skills needed to perform the duties of the Incident Safety Officer (ISO) during incident operations and training evolutions.

This course is designed for fire and emergency medical services (EMS) responders who may be designated by the Incident Commander (IC) as an ISO while working within an Incident Command System (ICS). These assignments may occur during firefighting, EMS, special operations type incidents, and training evolutions.

This course is an incident-specific, scenario-oriented course designed to teach students what an ISO needs to know at an incident. The course uses instructor led discussion, multimedia activities, and small group discussions to convey instructional points.

Training Prerequisites: None
Required Text: Jones & Bartlett, Fire Department Incident Safety Officer, 3rd Ed.
Certification Examination Prerequisites: Certified Fire Officer I, or have been a Fire Officer with a department on or before July 1, 1986. Proof must be submitted with the application.

Certification testing time: requires an additional date for the certification written exam.

Class Hours: 24
Course Fee: $140.00
Course # 17523
