**8. Employment Opportunity - Northwest Public Safety - Communication Supervisors**

Northwest Public Safety is pleased to announce openings for our Communication Supervisors position for a Summer 2018 Start.

Supervisors are responsible for…

- Supervise, assign, review and participate in the work of dispatchers who receive and process emergency and non-emergency calls; conduct QA feedback and coaching session with employees at regular intervals.
- Communicate with the public, subordinates, peers, supervisors; interpret explain and answer operational and procedural questions, handle complaints from citizen, employees and external customers (patrol); Complete notifications to appropriate agency or person (public information officer, command staff, etc.)
- Operate and monitor sophisticated communications systems: CAD and Radio System, National Crime Information Center (NCIC); initially troubleshoot issues and report appropriate failure to the correct person(s)
- Assess employees' compliance with procedure, assist in the development of employee skills and abilities by providing constructive criticism, recognition, and corrective action when necessary; conduct QA feedback and coaching sessions with assigned employees at regular intervals; provide both verbal and written feedback involving the discipline process. Initiates commendations where appropriate.
- Review statistical data which outlines center and employee performance; adjust schedules (breaks/lunch) as necessary to achieve performance goals.
- Instruct new and existing employees in the classroom and/or briefing on policy and procedure.
- Prepare and complete analytical and statistical reports and memos as required. Prepare copies of recordings as directed.
- Remain current on the job-specific procedures through attending training courses in order to apply appropriate methodologies.
- Performs miscellaneous job-related duties as assigned.

Any questions regarding the employment process can be directed to Stephanie Stirk at

humanresources@nowestps.org
