Instructions

According to the *Connecticut General Statutes Sec. 14-327b*, "No distributor shall sell or offer to sell motor fuel in this state unless such distributor has first registered with the Department of Consumer Protection each type of motor fuel which he intends to sell and has received from the department a certificate of registration for each type of motor fuel which he intends to sell."

According to *Regulations of Connecticut State Agencies Sec. 14-327d-4. Sale of gasoline*

(a) All gasoline sold at wholesale or retail in Connecticut shall be sold under the label, name, or brand name under which the gasoline was first purchased for resale in Connecticut, except as provided in subsection (b) of this section.

(b) The owner of any gasoline purchased for sale or resale in Connecticut may sell such gasoline under a label, name, or brand other than that under which the gasoline was purchased provided that the new label, name, or brand is filed with the Commissioner.

1. In the **Brand Name** block please provide for each Motor Fuel being registered the label, name, brand, or trademark under which the motor fuel will be sold.
2. In the **Octane/Cetane** block please provide either the octane (R+M/2) or cetane number. All tests to determine the quality of gasoline or diesel fuel shall be made in accordance with the most recent revision of either Standard D439, Specification for Automotive Gasoline, or Standard D975, Specification for Diesel Fuel Oils, of Part 23 of the American Society for Testing and Materials.
3. In the **Proprietary Additive** block check, **YES** if the additive is owned by a private corporation or an individual under a trademark or patent. **NO** if the fuel does not contain an additive that is under a trademark or patent owned by a corporation or individual.
4. In the **TOP TIER Gasoline** block check, **YES** if the fuel has a TOP TIER Gasoline license agreement. **NO** if the fuel does not have a TOP TIER Gasoline license agreement.
