

Request for Proposals (RFP) #2024-0909

Alzheimer's Disease and Related Dementias Program Evaluation

Questions and Responses

Posted November 29, 2023

Question #1

In Section C "Scope of Service Description", part 6b requires audited financial statements. May proposers demonstrate their fiscal stability in another way without providing financial statements? As a privately owned firm, we do not share detailed financial information with outside parties.

CT DPH response: The requirement described in

Section II.C, subsection 6b. Audited Financial Statements on page 13 of the RFP will be met if the auditor management letter provided attests to the applicant organization's fiscal stability during the past two years of most recent annual audited financial statements.

Note: For organizations that have been incorporated for less than two years, refer to the Proposal Content Checklist on page 29 of the RFP for additional context.
