

KNOW MORE before you TAKE MORE

Prescription drug abuse is a serious public health issue that can be faced effectively with the right resources.

- **Change the Script** is a program that connects everyone whose lives are affected by the prescription drug crisis: healthcare professionals, treatment professionals, and the general public.
- **Change the Script offers resources** to help rewrite the story about how we deal with this issue, including prevention measures, treatment and recovery programs, prescriber education, safe storage and disposal information, and much more.
