Environmental & Occupational Health Assessment Program
410 Capitol Ave, MS #11CHA, Hartford, CT 06134-0308

Phone: (860) 509-7740 Fax: (860) 509-7785

* Important Note:

To receive this designation, all schools must have 5-member building teams that have received the two part, five hour training program conducted by the CT School Indoor Environment Resource Team (CSIERT), and are expected to follow the implementation procedures and maintain their program. If you have questions about the status of your district's Tools for Schools program, contact your school administration or the CT Department of Public Health at (860) 509-7740. Participating school districts are encouraged to contact the CT Department of Public Health at (860) 509-7740 for periodic refresher training.
