3. New business (12:05 – 12:50)
  - a. Subgroup questions
    - i. What are the follow-up plans after a cCMV diagnosis is made?
      - Should DPH be responsible for any follow-up? If yes, what should that be? Should DPH be the repository for all follow-ups?
      - Is there any follow-up we should contract to a third party?
    - ii. Implementation of the education component
      - What education packets are needed?
        - a. Education packets OB/GYNs give to pregnant families?
        - b. Education packets at the time of cCMV diagnosis?
        - c. General resources for pediatricians?
      - Do parents receive a comprehensive education packet if a newborn's blood spot is positive or receive educational materials as needed?
      - What is the list of cCMV information to include in education materials/packets for families and pediatricians?
    - iii. What length of follow-up do you recommend?
      - What should be included in short vs. long-term follow-ups?
    - iv. What kind of follow-up data should be collected? Who should be responsible for collecting the named data?
4. Next steps (12:50 – 1)
5. Adjournment (1)
