Universal cCMV Screening Working Group
Education Subgroup Minutes
Monday, November 13, 2023
10:45 - 11:45 AM

Subgroup Members

Present: Debra Ellis, RN, BSN, Marie Burlette, RN, BSN, MPH, and John Lamb

Other: Amaka Atuegbu

1. Review Education Subgroup Presentation
 - a. What are the current available resources?
 - i. Breakout and simplify information on Early Hearing Detection and Intervention (EHDI) brochures, Shared Plan of Care, and Website.
 - ii. EHDI staff and subject matter experts
 - b. What is missing/needed?
 - i. Remove bullet points on database support, CMV coordinator, and tracking staff, and migrate to planning for implementation.
 - ii. Educate primary care providers on follow-up recommendations for confirmed cCMV positive infants
 - iii. Educate relevant stakeholders about implementation of universal cCMV screening.
 - c. Who will create materials, edit materials, approve materials, and who/how will they be disseminated?
 - i. Insert image of CT Newborn Screening Program flyer
 - ii. Educational materials will also be distributed by Birth Facilities, OBGYN, Midwives, Birth Educators, and Audiologists.
 - iii. Add press releases and social media to public awareness campaign
2. Next steps
 - a. John Lamb to meet with DC Terranova for presentation review
 - b. Marie Burlette to update CT NBS section
 - c. Amaka Atuegbu to edit all slides
