NOTICE TO RECIPIENT OF INFORMATION:

PSYCHIATRIC INFORMATION

* Under Chapter 899 of the Connecticut General Statutes, psychiatric records are confidential and shall not be transmitted to anyone without consent or other authorization. Thus, you cannot further disclose psychiatric records or the information contained in them without first obtaining specific written consent or as otherwise permitted under said laws.

DRUG AND ALCOHOL ABUSE RECORDS

** Substance abuse records contain information that is protected by the Federal confidentiality rules at 42 C.F.R. Part 2 ("Federal rules"). The Federal rules prohibit you from further disclosing any of this information unless the person identified in the information provides express, written consent for such release or as otherwise permitted by 42 C.F.R. Part 2. A general authorization for the release of medical or other information is not sufficient for express written consent purposes. The Federal rules restrict any use of the information to criminally investigate or prosecute any alcohol or drug abuse patient.

HIV RELATED INFORMATION

*** Under state law, records containing HIV information are confidential and cannot be further disclosed unless the person identified in the records provides express written consent for such disclosure, or as otherwise permitted by state law. A general authorization for the release of medical or other information is not sufficient for express written consent purposes.
