

**STATE OF CONNECTICUT**

**BY HIS EXCELLENCY**

**NED LAMONT**

**EXECUTIVE ORDER NO. 7DDD**

**PROTECTION OF PUBLIC HEALTH AND SAFETY DURING COVID-19 PANDEMIC AND RESPONSE – EXTENSION OF EVICTION MORATORIUM AND ADMINISTRATIVE DEADLINES**

**WHEREAS**, on March 10, 2020, I issued a declaration of public health and civil preparedness emergencies, proclaiming a state of emergency throughout the State of Connecticut as a result of the coronavirus disease 2019 (COVID-19) outbreak in the United States and Connecticut; and

**WHEREAS**, pursuant to such declaration, I have issued fifty-six (56) executive orders to suspend or modify statutes and to take other actions necessary to protect public health and safety and to mitigate the effects of the COVID-19 pandemic; and

**WHEREAS**, COVID-19 is a respiratory disease that spreads easily from person to person and may result in serious illness or death; and

**WHEREAS**, the World Health Organization has declared the COVID-19 outbreak a pandemic; and

**WHEREAS**, to reduce the spread of COVID-19, the United States Centers for Disease Control and Prevention (CDC) and the Connecticut Department of Public Health (DPH) recommend implementation of community mitigation strategies to slow transmission of COVID-19, including cancellation of gatherings of ten people or more and social distancing in smaller gatherings; and

**WHEREAS**, the risk of severe illness and death from COVID-19 is higher for individuals who are 60 or older and for those who have chronic health conditions; and

**WHEREAS**, public health experts have determined that it is possible to transmit COVID-19 even before a person shows symptoms and through aerosol transmission; and

**WHEREAS**, public health experts have indicated that persons infected with COVID-19 may not show symptoms, and transmission or “shedding” of the coronavirus that causes COVID-19 may be most virulent before a person shows any symptoms; and

**WHEREAS**, the CDC has recommended that people with mild symptoms consistent with COVID-19 be assumed to be infected with the disease; and

**WHEREAS**, upon a proclamation that a public health or civil preparedness emergency exists, section 28-9(b) of the Connecticut General Statutes authorizes the modification or suspension in whole or in part by executive order of any statute or regulation or requirement or part thereof that conflicts with the efficient and expeditious execution of civil preparedness functions or the protection of public health; and

**WHEREAS**, minimizing evictions during the COVID-19 pandemic is critical to controlling and reducing the spread of COVID-19 and preventing a resurgence of the disease by allowing residents to stay home or at their place of residence; and

**WHEREAS**, in order to keep people safely in their homes and avoid increasing homelessness and the associated risk of COVID-19 transmission, Executive Order No. 7X, Section 1 provided temporary relief from statutory eviction proceedings; and

**WHEREAS**, continued economic disruption could increase homelessness and associated risk of COVID-19 transmission unless certain relief measures provided in Executive Order No. 7X are continued; and

**WHEREAS**, in order to further prevent the potential public health threat and spread of COVID19 to any person who might participate in the process of submitting, reviewing, hearing, discussing, deciding, or appealing an agency, board or commission decision, action, or related activity, and to allow for delays and unavailability caused by disruptions related to the COVID-19 pandemic, state agencies, boards, and commissions of this State require discretion to manage deadlines associated with Chapter 54 of the Connecticut General Statutes, the Uniform Administrative Procedure Act, and other statutory and regulatory deadlines relevant to conducting the business of this State; and

**WHEREAS**, Executive Order No. 7M provided such entities with discretion by granting authority to extend such deadlines; and

**WHEREAS**, having authority to further extend such deadlines will assist agencies, boards and commissions to protect the public health and prevent a resurgence of COVID-19 in the State by reducing in-person interactions;

**NOW, THEREFORE, I, NED LAMONT**, Governor of the State of Connecticut, by virtue of the authority vested in me by the Constitution and the laws of the State of Connecticut, do hereby **ORDER AND DIRECT**:

1. **Extended Protections for Residential Renters Affected by COVID-19.** In addition to the provisions in Executive Order No. 7X, Section 1, the following provisions shall take effect immediately:

Notwithstanding subsection (h) of this section, an escrow agent may withdraw funds from an escrow account to comply with such a request.
