- For use by elected officials;
- The Commissioner of Administrative Services (or his/her designee) determines that it will be less costly to use a state vehicle than it would be to reimburse the state official or employee for mileage traveled in his or her personal vehicle (typically at least 700 miles a month); or
- If the agency can demonstrate that specialized circumstances (such as particular equipment needs or risk management concerns) dictate the acquisition of a state vehicle;
- Requests for vehicle assignment must be made in writing on the form established by DAS, and submitted to the Director of DAS Fleet Operations. A detailed justification for the need for a state-owned vehicle, including intended usage, estimated mileage, and garaging location must be included in the request;
- The Director of DAS Fleet Operations may reassign, recall or transfer motor vehicles as necessary to ensure the most efficient and cost-effective use of motor vehicles throughout the state.
