

STOCKING UPDATE AS OF 05/03/2024:

Spring trout stocking began on 2/21 and ever since hatchery stocking trucks are on the move. The Fisheries Division plans to stock roughly 500,000 trout between February and May. Brook Trout, Brown Trout, Rainbow Trout, and Tiger Trout are all scheduled. The majority of the trout will range between 10-12", and close to 20% are >12", some much larger! Please get out and enjoy. These fish are for you!

"The Daily Cast" – Fishing Friday! Please enjoy and have a nice weekend!

Attention Anglers - Three important announcements below:

- 1. Chatfield Hollow: The pause in the improvement project to allow angling access is over and construction has resumed. Below is a schedule of when public access is anticipated. Please note that the dates are dependent on favorable weather and field conditions.
 - Closed April 29th May 3rd to enable the paving of the surface course (top course)
 - Open May 4th & May 5th
 - Closed May 6th May 10th to install necessary curbs and speed bumps
 - Open May 11th & May 12th
 - Closed May 13th until line painting in complete
- 2. Typo in Printed Guide: If you have a copy of the printed guide, please make note of a typo on page 37, Farmington River. The two seasonal TMA sections incorrectly have "five" fish daily limit. The correct daily limit is Two (2) fish from the second Saturday of April until August 31. The online version of the pdf has been corrected. Thank you for your understanding.
- 3. A public hearing for the <u>proposed changes</u> to the sportfish regulation for the inland district will be held Wednesday, May 8, 2024 at 7:00 pm. Please register <u>here</u>. To view the proposed changes please visit the CT Secretary of State web page <u>here</u>. If you need assistance or have any questions, please email mike.beauchene@ct.gov

The following is a list of waters that the Fisheries Division plans to stock this spring. Dates will be added daily to the "Stocked" column in the table below as locations are stocked. Please get out and enjoy. Anglers should check out our Interactive Stocking map for location information. Please note that due to a variety of conditions not every river/stream stocking location can be stocked on each stocking run. The information is sorted alphabetically by waterbody name first in table 1 and by town name in table 2. Questions about CT DEEP's trout and salmon stocking may be sent to matthew.devine@ct.gov

Management type abbreviations: TMA = <u>Trout Management Area</u>; TML = <u>Trout Management Lake</u>; TTA = <u>Trophy Trout Area</u>; TP = <u>Trout Park</u>; WTMA = <u>Wild Trout Management Area</u>; CFW = <u>Community Fishing Waters</u>

The 2024 Fishing Guide is available for download.

*There are no changes to freshwater regulations for 2024.

Thank you for your support and please enjoy!
