

## STOCKING UPDATE AS OF 04/10/2024:

Spring trout stocking began on 2/21 and ever since hatchery stocking trucks are on the move. The Fisheries Division plans to stock roughly 500,000 trout between February and May. Brook Trout, Brown Trout, Rainbow Trout, and Tiger Trout are all scheduled. The majority of the trout will range between 10-12", and close to 20% are >12", some much larger! Please get out and enjoy. These fish are for you!

"The Daily Cast" -Trout, trout, and more trout. 264,819 to date. Please get out and enjoy!

The following is a list of waters that the Fisheries Division plans to stock this spring. Dates will be added daily to the "Stocked" column in the table below as locations are stocked. Please get out and enjoy. Anglers should check out our <a href="Interactive Stocking map">Interactive Stocking map</a> for location information. Please note that due to a variety of conditions not every river/stream stocking location can be stocked on each stocking run. The information is sorted alphabetically by waterbody name first in table 1 and by town name in table 2. Questions about CT DEEP's trout and salmon stocking may be sent to <a href="matthew.devine@ct.gov">matthew.devine@ct.gov</a>

Management type abbreviations: TMA = <u>Trout Management Area</u>; TML = <u>Trout Management Lake</u>; TTA = <u>Trophy Trout Area</u>; TP = <u>Trout Park</u>; WTMA = <u>Wild Trout Management Area</u>; CFW = <u>Community Fishing Waters</u>

The 2024 Fishing Guide is available for download.

\*There are no changes to freshwater regulations for 2024.

Thank you for your support and please enjoy!

Reminder of the establishment of a "Catch and Release" season for all trout. This season starts on March 1 and ends at 6:00 am on the second Saturday of April (4/13), except for Trout Management Lakes (TML) where harvest of 1 trout is allowed (check each lake for specific size limits) or in Tidal Waters and Tributaries where the daily limit is 2 trout 15-inch minimum length.

Use <u>FishBrain</u>, the world's largest fishing APP, for <u>FREE</u> to see CT's regulations georeferenced to all waters. Find it on the APP Store at <a href="https://join.fishbrain.com/connecticut">https://join.fishbrain.com/connecticut</a>
