**OFFICE OF POLICY AND MANAGEMENT
SPECIAL GRANT CONDITIONS #13.
AMERICAN RECOVERY AND REINVESTMENT ACT OF 2009,
PUB. L. 111-5, AS AMENDED.**

Preamble

The American Recovery and Reinvestment Act of 2009, Pub. L. 111-5, (Recovery Act) was enacted to preserve and create jobs and promote economic recovery, assist those most impacted by the recession, provide investments needed to increase economic efficiency by spurring technological advances in science and health, invest in transportation, environmental protection, criminal justice system and other infrastructure that will provide long term economic benefits, and stabilize State and local government budgets in order to minimize and avoid reductions in essential services and counterproductive State and local tax increases. Grantee shall use grant Recovery Act funds in a manner that maximizes job creation and economic benefit.

Grantee shall comply with all terms and conditions in the Recovery Act relating generally to governance, accountability, transparency, data collection and resources as specified in Recovery Act itself and as discussed below.

Be advised that Recovery Act funds can be used in conjunction with other funding as necessary to complete projects, but tracking and reporting must be separate to meet the reporting requirements of the Recovery Act and related guidance. For projects funded, in part, by sources other than the Recovery Act, Grantee should plan to keep separate records for Recovery Act funds and to ensure those records comply with the requirements of the Recovery Act.

The U.S. federal government has not fully developed the implementing instructions of the Recovery Act, particularly concerning the how and where for the new reporting requirements. Grantee shall be provided these details as they become available. Grantee must comply with all requirements of the Recovery Act. If Grantee believes there is any inconsistency between Recovery Act requirements and current requirements, the issues will be referred to Grantor for reconciliation.

Definitions

Covered Funds mean funds expended or obligated from appropriations under the Recovery Act. Covered Funds will be tracked and reported separately and will be identified as Recovery Act funds in the Grant Award. Covered Funds must be reimbursed by the notice of grant award end date.

Grantor herein means OPM.

Special Provisions

A. Segregation of Costs.

Grantee must segregate the obligations and expenditures related to funding under the Recovery Act. Financial and accounting systems should be revised as necessary to

segregate, track and maintain these Covered Funds apart and separate from other revenue streams. No part of the Covered Funds shall be commingled with any other funds or used for a purpose other than that of making payments for costs allowable for Recovery Act projects.

B. Prohibition on Use of Covered Funds - § 1604 of Pub. L. 111-5.

None of the Covered Funds provided under this Grant may be used by any state or local government, or any private entity, for any casino or other gambling establishment, aquarium, zoo, golf course, or swimming pool.

C. Wage Rates - § 1606 of Pub. L. 111-5.

All laborers and mechanics employed by Grantee or Grantee's contractors and subcontractors on projects funded directly by or assisted in whole or in part by Covered Funds shall be paid wages at rates not less than those prevailing on projects of a character similar in the locality as determined by the Secretary of Labor in accordance with subchapter IV of chapter 31 of title 40, United States Code. With respect to the labor standards specified in this section, the Secretary of Labor shall have the authority and functions set forth in Reorganization Plan numbered 14 of 1950 (64 Stat. 1267, 5 U.S.C. App.) and section 3145 of title 40 United States Code.

Pursuant to Reorganization Plan No. 14 and the Copeland Act, 40 U.S.C. §.3145, the Department of Labor has issued regulations at 29 C.F.R. parts 1, 3, and 5 to implement the Davis-Bacon and related Acts. Regulations 29 C.F.R. 5.5 instruct agencies concerning application of the standard Davis-Bacon contract clauses set forth in that section. Federal agencies providing grants, cooperative agreements, and loans under the Recovery Act shall ensure that the standard Davis-Bacon contract clauses found in 29 CFR 5.5(a) are incorporated in any resultant covered contracts that are in excess of \$2,000 for construction, alteration or repair (including painting and decorating).

For additional guidance on the wage rate requirements of section 1606 of the Recovery Act contact Grantor. Grantor will direct initial inquiries concerning the application of Davis-Bacon requirements to a particular federally assisted project to the Federal agency funding the project. The Secretary of Labor retains final coverage authority under Reorganization Plan Number 14.

Grantee shall be required to maintain appropriate records to document compliance, and agrees that said records are subject to audit and may be included as part of reporting requirements.

D. Reporting Requirements for Grantees - § 1512 of Pub. L. 111-5.

Not later than 10 days after the end of each calendar quarter, Grantee shall submit a report to Grantor or to an address or website designated by Grantor. Specific reporting requirements applicable to Grantee are located and included within the Grant Award.

This information shall be reported to and published on the Internet at <https://www.appsvcs.opm.ct.gov/opmgrantsportal>.

Grantee must have a DUNS number and be registered in the Central Contractor Registration (CCR) prior to submitting its application.

Grantee acknowledges that it explicitly agrees and certifies herein that it shall comply with all reporting requirements prescribed by Grantor. Further to this certification, a failure to comply with the reporting requirements may, in addition to other administrative, civil or criminal penalties not listed herein, subject Grantee to the following:

- (1) After failure to report mandated data, as specified by the applicable federal grant award agency, Grantee may be (a) precluded from drawing down Covered Funds under ANY Grantor award, and/or (b) deemed ineligible for future grants or any other State awards, until such time as Grantee becomes current in its reporting obligations; and upon demand by Grantor, Grantee shall return to Grantor any unexpended award Covered Funds within 15 calendar days of the date of the demand notice.
- (2) Failure to comply with reporting requirements may result in termination of this Grant Award.

E. Access to Records - §§ 902 and 1515 of Pub. L. 111-5.

the award. This restriction does not limit the federal government's right to use or disclose data obtained without restriction from any source, including the applicant.

Grantee shall incorporate this requirement in all subgrants or subcontracts.

(b) Subsection (a) shall not apply in any case or category of cases in which the head of the federal department or federal agency finds that:
