

## List of Qualified Professionals for Radon Testing in Connecticut Schools

All radon testing in Connecticut public school buildings must be performed by nationally certified radon measurement professionals who are trained in school measurement protocols by the CT DPH Radon Program. Schools should hire individuals from the following list of qualified radon measurement professionals to conduct radon testing in public schools.

| City/Town     | State | Name of Company:   | Individuals Listed by NRPP/NRSB  | Phone:                           |
