PRIORITY SCHOOL READINESS

OVERVIEW AND DESCRIPTION OF GRANT

Purpose of Grant as outlined in Connecticut General Statutes (C.G.S.) Section 10-160 is to:

- (1) provide open access for children to quality programs that promote the health and safety of children and prepare them for formal schooling;
- (2) provide opportunities for parents to choose among affordable and accredited programs;
- (3) encourage coordination and cooperation among programs and prevent the duplication of services;
- (4) recognize the specific service needs and unique resources available to particular municipalities and provide flexibility in the implementation of programs;
- (5) prevent or minimize the potential for developmental delay in children prior to their reaching the age of five;
- (6) enhance federally funded school readiness programs;
- (7) strengthen the family through: (A) encouragement of parental involvement in a child's development and education; and (B) enhancement of a family's capacity to meet the special needs of the children, including children with disabilities;
- (8) reduce educational costs by decreasing the need for special education services for school age children and avoiding grade repetition;
- (9) assure that children with disabilities are integrated into programs available to children who are not disabled; and
- (10) improve the availability and quality of school readiness programs and their coordination with the services of child care providers.

It is expected that all children who participate in quality school readiness programs will demonstrate the skills at kindergarten entry that have been delineated in **THE EARLY LEARNING AND DEVELOPMENT STANDARDS (ELDS)**. The Office of Early Childhood (OEC) will provide guidance on professional development opportunities, and documents related to alignment between the Preschool Assessment Framework and the ELDS. We expect programs to make the transition to the ELDS while seeking the appropriate guidance and support.

Eligible Recipients

Priority School Districts are defined under section 10-266p of the C.G.S.. Eligibility is determined for a five-year period based upon the applicant's designation as a Priority School District for the initial year of application except that if school district that receives a grant pursuant to this subsection is no longer designated as a Priority School District at the end of such five-year period, such former Priority School District shall continue to be eligible to receive a grant pursuant to C.G.S. 10-16p(c).

Grant Duration and Submission Requirements

This grant application is for a two-year period based on the availability of funds. In each Priority School District, the Chief Elected Official and the Superintendent of Schools, in conjunction with the School Readiness Council, shall develop and submit a plan for the expenditure of grant funds. Submission of materials must include all local responses to

requests for proposals along with their scores grouped into the following categories: a) those that the School Readiness Council recommends for funding; b) those that the School Readiness Council would consider funding with additional allocations; and c) those that the School Readiness Council did not approve for funding. **All requests shall be solicited through public notice using the local RFP (see Appendix A).** Eligible applicants must submit an application for July 1, 2014, through June 30, 2015. For this fiscal year, applicants are required to submit a cover letter signed by the Chief Elected Official and Superintendent of Schools with attached budget pages, updated information regarding programs, staff, space capacity, accreditation/approval timeline/status, School Readiness Council bylaws, and any revisions/changes to the information submitted in the Year 1 application. In addition, a separate space grid outlining future capacity to serve School Readiness children will be required. Grant award letters will be issued annually based on the annual appropriation of the Connecticut Legislature and the grant recipient's compliance with the program requirements.

Submission

The School Readiness Grant Application (original and one [1] copy) must be received by 4:30 p.m. on **Friday May 16, 2014**, irrespective of the postmark dates and means of transmittal. Facsimile copies of the application will not be accepted. Only applications with original signatures will be accepted.

Allowable Use of Funds - Allowable costs for School Readiness are administrative costs, with the balance of the allocation spent on program space costs.

- A. Administrative Cost** - Priority School Districts may use up to five (5) percent but no more than seventy-five thousand dollars of their School Readiness Allocation for coordination, program evaluation and administration. If

a town provides twenty-five thousand dollars in local funding for early childhood education coordination, program evaluation and administration, such towns may use up to ten (10) percent, but no more than one hundred thousand dollars of such amount for coordination, program evaluation and administration. (This is a statutory requirement and is subject to change.)

- B. Program Spaces** - School Readiness funds may be used to purchase spaces from center-based programs only, including for-profit or not-for-profit private preschool programs, public preschool programs, Head Start programs, and state-funded day care programs. Programs must be accredited by the NAEYC, or documented as in process of being accredited, or approved by Head Start, or meet the criteria established by the Commissioner of Education. Services may be provided in the four (4) program types.

Programs Types Include:

- Full-Day/Full-Year Programs (5 days per week, 10 hours per day for a minimum of 50 weeks per year),

- Extended-Day (extending hours and/or days for children enrolled in another program to make it a Full-Day/Full-Year Program).

At least 50 percent of the spaces must be Full-Day/Full-Year. For further information and definition of program types see General Policy 14-05. **At least 60 percent of the children funded with School Readiness funds must be at or below 75 percent of the state median income per site.**

Local Request for Proposals (RFP) - Each sub-grantee that provides school readiness services, or wishes to provide school readiness services, must submit a local proposal to the School Readiness Council for approval. The local RFPs shall be reviewed by a team and scored. The Council shall provide interested local providers copies of the School Readiness General Policies. The sub-grantee proposals must be submitted, either with the original grant package or, if it occurs subsequently in the year, **prior** to the start of the sub-grantee's program.

Contract - Each grantee must have written contracts with their sub-grantees that clearly spell out the terms and conditions of their responsibilities in carrying out the grant program.

Monitoring - Each grantee is responsible for monitoring their sub-grantees to ensure programmatic and fiscal responsibility, accountability for children served, and that each program is implementing the 11 quality components under Section 10-16q of the C.G.S., as detailed below.

- (2) parent involvement, parenting education and outreach;
- (3) record-keeping policies that require documentation of the name and address of each child's doctor, primary care provider and health insurance company and information on whether the child is immunized and has had health screens pursuant to 42 U.S.C. - (9) a plan for professional development for staff, including but not limited to, training in preliteracy skills development and training designed to assure respect for racial and ethnic diversity;
- (10) a sliding fee scale for families participating in the program pursuant to section 17b-749; and
- (11) an annual evaluation of the effectiveness of the program.

Teacher Education Requirement– By July 1, 2015, any program accepting state funds from the School Readiness Grant, Child Day Care Contracts, or State Head Start Funds, must have at least 50 percent of teachers assigned to each classroom in the program hold an Associate’s degree with an early childhood concentration and at least 50 percent of teachers hold a Bachelor’s degree with an early childhood concentration. By July 1, 2020, there needs to be a teacher in each classroom that holds a Bachelor’s degree with an early childhood concentration (see General Policy 13-04 for guidance). Until such time, the current educator requirements remain in place. Each classroom that provides services under the school readiness grant must be staffed, according to General Policy 13-04 by:

QUALITY ENHANCEMENT

Purpose: The OEC shall establish a program, within available appropriations, to provide on a competitive basis supplemental quality enhancement grants to providers of child day care services or providers of school readiness programs pursuant to Connecticut General Statutes (C.G.S.) Sections 10-16p and 10-16u to enhance the quality of early childhood education programs. Child day care providers, school readiness programs in priority school districts, and competitive school readiness municipalities may apply for a quality enhancement grant. These applicants must use their local School Readiness Council to review and recommend projects for funding.

The purpose of the Quality Enhancement funding is to assist early care and education programs in addressing quality standards and/or expand comprehensive services for children and families. C.G.S. Section 17b-749c identifies the following as appropriate use of grant funds:

1. Help providers who are not accredited by the NAEYC to obtain such accreditation;
2. Help directors and administrators to obtain training;
3. Provide comprehensive services, such as enhanced access to health care, a health consultant, a mental health consultant, nutrition, family support services, parent education, literacy and parental involvement, and community and home outreach programs; and provide information concerning access when needed to a speech and language therapist;
4. Purchase educational equipment;
5. Provide scholarships for training to obtain a credential in early childhood education or child development;
6. Provide training for persons who are mentor teachers, as defined in federal regulations for the Head Start program, and provide a family service coordinator or a family service worker as such positions are defined in such federal regulations;
7. Repair fire, health and safety problems in existing facilities and conduct minor remodeling and non-capital improvements to comply with the Americans with Disabilities Act; train child care providers on injury and illness prevention; and achieve compliance with national safety standards;
8. Create a supportive network with family day care homes and other providers of care for children;
9. Provide for educational consultation and staff development;
10. Provide for program quality assurance personnel;
11. Provide technical assistance services to enable providers to develop child care facilities pursuant to C.G.S. Sections 17b-749g, 17b-749h and 17b-749i ;
12. Establish a single point of entry system; and
13. Provide services that enhance the quality of programs to maximize the health, safety and learning of children from birth to three years of age, inclusive, including, but not limited to, those children served by informal child care arrangements. Such grants may be used for the improvement of staff to child ratios and interaction, initiatives to promote staff retention, pre-literacy development, parent involvement, curriculum content and lesson plans.

Priorities for Funding: This grant should not duplicate program accreditation or training activities that are generally available at the local or regional level. Additionally, funds cannot be used for increasing staff salaries or for administrative or planning functions. This section of funding is based upon availability of funds. The plan must align with the purpose of the funding (above).

Funds Available:

The OEC anticipates that a total amount of \$918,678 will be available between July 1, 2014 and June 30, 2015. All grants shall be funded within the limits of available appropriations. The table below details the proposed allocations for the Priority School Readiness districts.

PRIORITY SCHOOL READINESS**GLOSSORY / DEFINITIONS**

Connecticut Frameworks – The “**CONNECTICUT EARLY LEARNING AND DEVELOPMENT STANDARDS**” and “**CONNECTICUT PRESCHOOL ASSESSMENT FRAMEWORK**” are the guides for programs to use in the implementation and necessary adjustments to the curriculum and experiences that support children in the development of skills and knowledge.

General Policies Communication System – General Policies (GPs) are issued to provide guidance to councils and providers concerning school readiness policies and procedures. **Technical Assistance** documents are issued to give guidance to programs on early childhood topics such as Americans with Disabilities Act (ADA) and Individuals with Disabilities Education Act (IDEA) in Preschools, Transition to Kindergarten, Parent Involvement and Nutrition. A copy of these General Policies, Program Operations, and Technical Assistance documents should be maintained and followed. **General Policies are posted on the OEC web site at <http://www.ct.gov/oec/cwp/view.asp?a=4541&q=535854>**

Inclusion/Integration – It is expected that all children with and without disabilities shall have access to school readiness programs. Programs must adhere to the requirements of the **ADA** and the **IDEA** that require that no child be excluded on the basis of a disability. For more information, see the **TECHNICAL ASSISTANCE DOCUMENT ON INCLUSION SR TA. 99-01** (available at www.sde.ct.gov/sde).

Learning Experience Plan – A Learning Experience Plan describes both the learning expectations for children, as well as the teaching strategies that support all children across varying levels of development and the setting in which the experiences are planned to occur.

Outcomes – Those skills that children with a quality preschool experience are expected to demonstrate when entering kindergarten. For more information and guidance, see the publications **CONNECTICUT EARLY LEARNING AND DEVELOPMENT STANDARDS and CONNECTICUT PRESCHOOL ASSESSMENT FRAMEWORK** that are available on at: <http://www.sde.ct.gov/sde/cwp/view.asp?a=2678&q=320780&sdeNavPage=%7C>

Parent Fees – The amount of money parents are required to pay for participation in the School Readiness program is based on the sliding fee scale or is stated on their child care certificate. Fees must be used to support the activities of the School Readiness program that the child is attending. The School Readiness Council may choose to exempt only Part-Day/Part-Year Programs from this requirement. For additional information, see **General Policy 14-02**.

Program Standards – Programs who either have or are seeking NAEYC accreditation must meet the NAEYC standards. Head Start programs must meet the Head Start Program Performance Standards. For additional information, see **General Policy GP 09-05 and GP 09-06**.

Sliding Fee Scale – A scale of fees based on income and family size. For all children, except those with a child care certificate, the programs must use the Sliding Fee Scale to determine the fees charged to parents for School Readiness programs, in accordance to policy guidelines provided by their local School Readiness Council.

Teacher – Each classroom that provides services under the School Readiness Grant must be staffed for all operating hours of the day for Part-Day and School-Day spaces and for six hours per day for Full-Day spaces by: a teacher who, at minimum, has a Child Development Associate (CDA) credential and 12 credits or more in early childhood education or child development from an institution of higher learning accredited by the Board of Governors of Higher Education; or an associate’s degree or a four (4) year degree with 12 or more credits in early childhood education or child development from an institution of higher learning accredited by the Board of Governors of Higher Education; or a Connecticut teaching certificate with an early childhood or special education endorsement.
