Test Coordinator Pre-Test Tasks

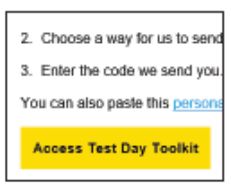
Test Day Toolkit is a web-based application all test coordinators, proctors, and monitors need to access on test day using:

- Their College Board professional account log-in credentials (www.collegeboard.org).
- A personal or school-provided laptop, tablet, or mobile device.

Complete the following Test Day Toolkit tasks before testing each event (i.e., PSAT 8/9, PSAT 10, SAT School Day, Retests):

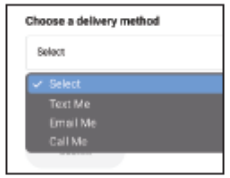
Log in and activate account * → **Select school and event** → **Add Rooms** → **Assign students to rooms (optional)** → **Add staff** → **Assign staff to rooms/ roles** → **Print student sign in tickets**

* 1. Click the button in the personalized access email from College Board.



2. Sign in to your College Board professional account.

3. Choose a way for us to send you a code.



4. Enter the code we send you.

Outside of Test Day Toolkit:

Confirm network readiness | **Conduct digital readiness check** | **Print translated test directions**
