#### How to Check Identity

1. Make sure the student's ID is acceptable.
2. Compare the student's appearance to the ID photo and check their mask for answer keys.
3. Compare the name and birth date on their ID to those shown here and on their test ticket.
4. Ask the student if they set up the testing app on the device they brought with them.
5. Direct them to a seat. Don't let them choose their own.
