Dear Senator Haskell and Representative Lemar:

Pursuant to Section 1 of Public Act 21-179, my office has reviewed the October 1, 2021 report of the Connecticut Port Authority ("Authority") regarding the status of pending and current contracts, small harbor projects and the construction project at the State Pier in New London (and the specific contracts related thereto). As noted in the report, my office continues to provide general project management guidance and advice to the Authority for its consideration pursuant to a memorandum of agreement.

Should you have any questions on this matter, please don't hesitate to reach out to my office.

Sincerely,

A handwritten signature in blue ink that reads "Josh Geballe".
