

Q-Item # 419-Q (revised)

(This item replaces Item No. 419-Q dated July 1, 2002)

EFFECTIVE DATE: January 13, 2012

Authorization for the Commissioner of Transportation to provide appropriate rates of pay for permanent DOT Maintainers or Ferry First Mates receiving an hourly pay rate for the Step listed in column one below, temporarily assigned to a higher grade.

This revised item removes the TC 14 column for Ferry First Mates performing the duties associated with DOT Maintainer 2. This is due to a change in pay grade for the Ferry First Mate job classification from TC 13 to TC 15. Employees in the Ferry First Mate job class who are performing the duties associated with DOT Maintainer 3 will continue to be paid at TC 16.

When a permanent DOT Maintainer 1 receiving an hourly rate for the Step listed in column one below is assigned duties of a DOT Maintainer 2 or 3, or a permanent DOT Maintainer 2 receiving an hourly rate for the Step listed in column one below is assigned duties of a DOT Maintainer 3 or 4, or a permanent Ferry First Mate receiving an hourly rate for the Step listed in column one below is assigned duties of a DOT Maintainer 3, or a permanent DOT Maintainer 3 receiving an hourly rate pay rate for the Step listed in column one below is assigned duties of a DOT Maintainer 4, s/he shall be paid for such work by the following schedule:

DOT Maintainer 1 (TC 13) DOT Maintainer 2 (TC 14) DOT Maintainer 3 (TC 16)
