**123 Huntington Street, New Haven, CT**

Dr. Pamela Marrone, CEO and founder of Marrone Bio Innovations (MBI), started the company in 2006 to discover and develop effective and environmentally responsible, biologically-based products for pest management and plant health. Prior to this position, Dr. Marrone founded AgraQuest in 1995 and served as its CEO, Chairman and/or President. Dr. Marrone has a B.S. in entomology with Honors and Distinction from Cornell University and a Ph.D. in entomology from North Carolina State University. She is a Fellow of the AAAS (American Association for the Advancement of Science).
