STOCKING UPDATE AS OF 05/20/2024:

Spring trout stocking began on 2/21 and ever since hatchery stocking trucks have been on the move. The Fisheries Division has stocked 472,638 trout this spring as of 5/20 (90% of total spring allotment). We anticipate completing our stocking on or around 5/27. Please get out and enjoy. These fish are for you!

"The Daily Cast" –11,860 trout stocked today, and the weather will be fantastic for getting out and wetting a line this week. Please enjoy.

Attention Anglers - Three important announcements below:

- 1. Chatfield Hollow: Construction continues, and the park will be closed until line painting is completed. Stay tuned.
- 2. Typo in Printed Guide: If you have a copy of the printed guide, please make note of a typo on page 37, Farmington River. The two seasonal TMA sections incorrectly have "five" fish daily limit. The correct daily limit is Two (2) fish from the second Saturday of April until August 31. The online version of the pdf has been corrected. Thank you for your understanding.
- 3. You are invited to provide comment regarding the <u>proposed changes</u> to the sportfish regulations in the inland district. If you need assistance or have any questions, please email <u>mike.beauchene@ct.gov</u>. Please take a look at our <u>web page</u> for a simple summary and information on how to provide your views. Deadline for comments is 11:59 pm on May 31, 2024.

The following is a list of waters that the Fisheries Division plans to stock this spring. Dates will be added daily to the "Stocked" column in the table below as locations are stocked. Please get out and enjoy. Anglers should check out our Interactive Stocking map for location information. Please note that due to a variety of conditions not every river/stream stocking location can be stocked on each stocking run. The information is sorted alphabetically by waterbody name first in table 1 and by town name in table 2. Questions about CT DEEP's trout and salmon stocking may be sent to matthew.devine@ct.gov

Management type abbreviations: TMA = <u>Trout Management Area</u>; TML = <u>Trout Management Lake</u>; TTA = <u>Trophy Trout Area</u>; TP = <u>Trout Park</u>; WTMA = <u>Wild Trout Management Area</u>; CFW = <u>Community Fishing Waters</u>

The 2024 Fishing Guide is available for download.

*There are no changes to freshwater regulations for 2024.

Thank you for your support and please enjoy!
