1. Fees

The fee for an initial license covers the cost of eligibility determination and related administrative functions. The licensure renewal fee is separate and distinct from the application fee. Personal licenses are renewed in the first birth month immediately following the issuance of licensure, (even if it is in the same year) and annually thereafter. The full renewal fee will be required regardless of the date of initial licensure.

No personal checks are accepted. Please remit the application fee, by CERTIFIED CHECK or MONEY ORDER ONLY, payable to, “TREASURER, STATE OF CONNECTICUT” in United States dollars. The application fee is non-refundable and non-transferable. It covers the cost of reviewing and processing the specific application.

Application fees cannot be refunded, even if the applicant is found ineligible.

Incomplete applications shall remain on file for five years, however the application fee is good for ONLY one year.

2. Status Checks

It is the responsibility of the applicant to arrange for the submission of all required documentation for timely completion of the application. **The Department shall notify the applicants of incomplete documentation.** Applicants can check the status of their application and submission of supporting documentation at: <https://www.elicense.ct.gov/> or email: dph.ehlicensing@ct.gov

3. License Issuance

After all documents have been received, the professional staff will evaluate each application in the order it was received. Upon approval, the licensee shall receive written verification of the license number and the effective date. The three part licensing documents shall be sent to the licensee's address of record within 4-6 weeks after approval.

4. Requirements

License requirements are subject to change due to new legislation, regulations, or policies adopted by the Department. Applicants shall meet current licensing requirements.

5. Examinations

Licensing examination questions are not included in the Freedom of Information Act as documents available for review. Whenever possible, the Department shall provide feedback regarding examination performance.

6. Social Security Numbers

The Privacy Act of 1974 requires any federal, state or local government agency to inform persons of the disclosure requirements for social security numbers. In accordance with Connecticut General Statutes, Section 17b-137a(A)(1), disclosure of the social security number is mandatory. The social security number is used in the administration and collection of taxes and child support. The Department shall only disclose social security numbers to government entities.
