Please Select a Payment Method

Pay with using Bank Account or Credit Card

Select this option to make a payment with this return. You will have the option to make a payment with a bank account or credit card. The direct payment option allows you to transfer funds by authorizing the Department of Revenue Services and its designated Financial Agents to electronically debit your bank account for the amount of your tax payment.

ACH Credit/Pay After Filing

Selecting this payment option **does not** automatically initiate your payment. The confirmation number you will receive with this return only acknowledges the filing of the return. You **must** initiate a payment separate to this filing.

Only those taxpayers who are currently registered for and who already pay by ACH credit may use this option.
