**CONSULTING SERVICES RELATED TO ELECTRONIC
DISCOVERY AND DIGITAL TRIAL PRESENTATION
RFP# 2021-05**

The State of Connecticut, Office of the Attorney General (“OAG”) is seeking proposals to provide regular part-time consulting services related to electronic discovery and digital trial presentation.

SCOPE OF SERVICES

The Attorney General of Connecticut, pursuant to Conn. Gen. Stat. § 3-125, invites proposals from appropriately qualified individuals or firms to provide consulting services to provide regular part-time consulting services related to electronic discovery.

The services to be performed by the Consultant will consist of some or all of the following tasks and any related services, as needed:

1. Electronic discovery (e-discovery) and litigation support services, including managing relationships with e-discovery vendors, estimating project costs, handling of data, training attorneys and staff to transfer data to vendors, supervising vendors’ provision of the services covered under their contracts, achieving and maintaining proficiency in e-discovery software provided by state contracted vendors, arranging for training by e-discovery vendors, supporting attorneys and staff in use of e-discovery software, and managing document productions by vendors.
2. Trial and courtroom presentation services including training of attorneys and staff in trial presentation software, preparation, handling and loading of trial exhibits into trial presentation software, and operating trial presentation software in trials.
3. The Consultant will generally work on-site at the Attorney General’s offices, usually in Hartford, once the pandemic precautions permit, and occasionally at other sites in Connecticut and also as a support person in courtrooms during trials. The Consultant’s services will generally be used for an average of eighty (80) to one hundred (100) hours per month, with time varying from week to week depending on workflow. There is no number of hours guaranteed. All or almost all services should be provided by one individual.
4. Perform all tasks for said Services under this Agreement in coordination with the ATTORNEY GENERAL.

TERM AND AMOUNT OF CONTRACT

Contracts awarded pursuant to this RFP will have a term of two (2) years, with an option to extend, by mutual consent, and a maximum value of two hundred fifty thousand dollars (\$250,000). Any extensions will be only by written amendment to the Professional Services Agreement (hereinafter referred to as "Contract" or "Agreement"). These awards are not necessarily exclusive. The OAG reserves the right during the terms of these contracts to solicit and request additional proposals for legal services in the same or other areas of practice.

Proposals must be received by the OAG by 4:30 p.m., local time, on **Friday, February 5, 2021**. The OAG may invite some firms to attend an interview shortly thereafter.

An evaluation committee will evaluate the proposals in accordance with the selection criteria set forth in this RFP, which explains other terms and requirements. The selected firm must enter into a contract with the OAG, substantially in the form of the draft contract set out in Appendix A. The OAG encourages minority, women-owned and disadvantaged businesses to apply.

All communication with the OAG must be undertaken only as specified in this RFP.

SELECTION CRITERIA

The evaluation committee will evaluate proposals on the basis of the written responses to this RFP, additional written information that may be requested by the OAG and, possibly, oral interviews. The goal of the evaluation will be to select the individual(s) or firm(s) which provide(s) the best combination of qualifications, relevant experience and cost.

The evaluation committee will also consider the following non-exclusive factors in making its determination:

- Depth and quality of experience in litigation support services; e-discovery tools and products; project management; database management; e-discovery and litigation-related vendor relationships; use of and training in litigation software and other litigation support programs; trial presentation software; and trial exhibit management and presentation;
- Qualifications of personnel, including the experience and availability of the lead consultant(s) and the breadth and depth of experience of other professionals available to provide the requested services;
- Demonstrated commitment to affirmative action and equal opportunity for employees;

- Workforce diversity, as evidenced by the consultant's current workforce diversity and its explanation of its current diversity and any plans or efforts it describes to improve or broaden its diversity;
- Equal employment opportunity record as evidenced by the composition of firm personnel and the firm's affirmative action and equal employment opportunity policies and practices;
- Record of compliance with all applicable ethical rules and rules of professional conduct.
- Results of reference checks;
- Reasonableness of rates proposed, and demonstrated efficiency in providing sound advice without unnecessary or excessive charges.

Firms that are qualified to provide many but not all of the listed services will be considered.

The proposing firm will not be considered to have an irreconcilable conflict of interest because the firm may have in the past brought or are currently bringing litigation against the State of Connecticut, whether in court, mediation or arbitration, so long as that litigation does not concern the firm's involvement in matters related to and adverse to the State related to any of the described services sought in this RFP. However, all potential conflicts with the State of Connecticut must be fully described and discussed in the proposal.

IV. Amendment or Cancellation of this RFP

The OAG reserves the right to cancel, amend, modify or otherwise change this RFP at any time if it deems it to be in the best interest of the State to do so.

V. Presentation of Supporting Evidence

Proposers must be prepared to provide evidence of experience, performance, ability, financial resources or other factors as the OAG deems to be necessary or appropriate concerning the performance capabilities represented in their proposals.

VI. Misrepresentation or Default

The OAG may reject the proposal and void any award resulting from this RFP to a firm which makes any material misrepresentation in its proposal or other submittal in connection with this RFP.

VII. Errors

The OAG reserves the right to correct clerical or administrative errors that may be made during the evaluation of proposals or during the negotiation of the contract and to change the contract award accordingly. In addition, the OAG reserves the right to re-evaluate proposals and the award of the contract in light of information either not previously known or otherwise not properly having been taken into account prior to contract award. In any case, this may include, in extreme circumstances, revoking the awarding of the contract already made to a firm and subsequently awarding the contract to another firm.

Such action on the part of the OAG shall not constitute a breach of contract on the part of the OAG since the contract with the initial firm would be deemed void and of no effect as if no contract ever existed between the OAG and such firm.

The OAG may waive minor irregularities found in proposals or allow the proposer to correct them, depending on which is in the best interest of the state. "Minor irregularities" means typographical errors, informalities that are matters of form rather than substance and evident from the proposal itself, and insignificant mistakes that can be waived or corrected without prejudice to other proposers, as determined in the discretion of the OAG.

VII. Ownership of Proposals

All proposals shall become the sole property of the State and will not be returned.

IX. Validation of Proposals

The proposal must be signed by an authorized official and shall be a binding

commitment which the OAG may incorporate, in whole or in part, by reference or otherwise, into the Contract. The proposal must also include evidence that the person submitting the proposal has the requisite power and authority to submit and deliver the proposal and subsequently to enter into, execute and deliver and perform on behalf of the firm, the Contract.

X. Execution of Contract

- (a) This RFP is not a contract and, alone, shall not be interpreted as such. Rather, this RFP only serves as the instrument through which proposals are solicited. Once the evaluation of the proposals is complete and a firm is selected, the selected proposal and this RFP may then serve as the basis for the Contract that will be negotiated and executed between the OAG and the selected firm. If the OAG and the initial selected firm fail to reach agreement on all issues relative to the Contract within a time determined solely by the OAG, then the OAG may commence and conclude contract negotiations with other proposers. The OAG may decide at any time to start this RFP process again.
- (b) Section 4-252 of the Connecticut General Statutes requires that this RFP include a notice of the certification requirements described in this statute. Accordingly, pursuant to this statute, firms are notified as follows:
 - (1) The terms “gift,” “quasi-public agency,” “state agency,” “large state contract,” “principals and key personnel” and “participated substantially” as used in this section 10(b) shall have the meanings set forth in this statute.
 - (2) No state agency or quasi-public agency shall execute a large state contract unless the state agency or quasi-public agency obtains the written certifications described in this section 10(b). Each such certification shall be sworn as true to the best knowledge and belief of the person signing the certification, subject to the penalties of false statement.
 - (3) The official of the person, firm or corporation awarded the contract, who is authorized to execute the contract, shall certify on such forms as the State shall provide:
 - (A) That no gifts were made between the date that the state agency or quasi-public agency began planning the project, services, procurement, lease or licensing arrangement covered by the contract and the date of execution of the contract, by (i) such person, firm, corporation, (ii) any principals and key personnel of the person, firm or corporation, who participated substantially in preparing the

bid or proposal or the negotiation of the contract, or (iii) any agent of such person, firm, corporation or principals and key personnel, who participated substantially in preparing the bid or proposal or the negotiation of the contract, to (I) any public official or state employee of the state agency or quasi-public agency soliciting bids or proposals for the contract, who participated substantially in the preparation of the bid solicitation or request for proposals for the contract or the negotiation or award of the contract, or (II) any public official or state employee of any other state agency, who has supervisory or appointing authority over such state agency or quasi-public agency;

(B) That no such principals and key personnel of the person, firm or corporation, or agent of such person, firm or corporation or principals and key personnel, knows of any action by the person, firm or corporation to circumvent such prohibition on gifts by providing for any other principals and key personnel, official, employee or agent of the person, firm or corporation to provide a gift to any such public official or state employee; and

(C) That the person, firm or corporation made the bid or proposal without fraud or collusion with any person.

(4) Contractors are required to submit a certification form and thereafter annually to update previously submitted certification forms for state contracts. Contractors must use the most current Gift and Campaign Contribution Certification form. (See Section III(a)(4))

(5) This Section X(b) is set forth here only for purposes of providing notice of the requirements of the Act. Accordingly, it is neither intended nor should it be interpreted or relied upon to be a complete and full reiteration of the Act's contents. Any interpretation or understanding of the Act's requirements or content by any party must come only from reading the full text of the Act itself.

(c) Section 4a-81 of the Connecticut General Statutes requires that this RFP include a notice of the consulting affidavit requirements described in the statute. Accordingly, pursuant to the statute, vendors are notified as follows:

(1) No state agency shall execute a contract for the purchase of goods or services, which contract has a total value to the state of fifty thousand dollars or more in any calendar or fiscal year, unless the

state agency obtains the written affidavit described in subsection (2) of this section.

- (2) The chief official of the vendor awarded a contract described in section 10(c)(1) or the individual awarded such contract who is authorized to execute such contract, shall attest in an affidavit as to whether any consulting agreement has been entered into in connection with such contract. Such affidavit shall be required if any duties of the consultant included communications concerning business of such state agency, whether or not direct contact with a state agency, state or public official or state employee was expected or made. "Consulting agreement" means any written or oral agreement to retain the services, for a fee, of a consultant for the purposes of (i) providing counsel to a contractor, vendor, consultant or other entity seeking to conduct, or conducting, business with the State, (ii) contacting, whether in writing or orally, any executive, judicial, or administrative office of the state, including any department, institution, bureau, board, commission, authority, official or employee for the purpose of solicitation, dispute resolution, introduction or requests for information or (iii) any other similar activity related to such contract. "Consulting agreement" does not include any agreements entered into with a consultant who is registered under the provisions of Chapter 10 of the Connecticut General Statutes concerning the State's Codes of Ethics, as of the date such affidavit is submitted.
- (3) Such affidavit shall be sworn as true to the best knowledge and belief of the person signing the certification on the affidavit and shall be subject to the penalties of false statement.
- (4) Such affidavit shall include the name of the consultant, the consultant's firm, the basic terms of the consulting agreement, a brief description of the services provided, and an indication as to whether the consultant is a former state employee or public official. If the consultant is a former state employee or public official, such affidavit shall indicate his or her former agency and the date such employment terminated.
- (5) The Office of Policy and Management has provided OPM Ethics Form 5 to satisfy the requirements of this statute as referenced in Section III(a)(4) above.
- (6) This Section X(c) is set forth here only for purposes of providing notice of the requirements of the Act. Accordingly, it is neither intended nor should it be interpreted or relied upon to be a complete and full reiteration of the Act's contents. Any interpretation

or understanding of the Act's requirements or content by any party must come only from reading the full text of the Act itself.

- (d) Pursuant to Conn. Gen. Stat. §§ 4a-60(a)(1) and 4a-60a(a)(1), as amended by Public Act 07-245 and Sections 9 and 10 of Public Act 07-142, every contractor is required to provide the State with documentation in the form of a company or corporate policy adopted by resolution of the board of directors, shareholders, managers, members or other governing body of such contractor to support the contractor's nondiscrimination agreements and warranties which are included in such contractor's contract pursuant to said statutes. The applicable certification form must be completed and submitted through the BizNet system, as explained in Section III, above.
- (e) In addition, **IRS W-9** and **State of Connecticut Agency Vendor** forms must be completed and attached to the proposal. Copies of previously submitted IRS W-9 and/or Agency Vendor forms may be resubmitted if the information contained on the forms is still current.

XI. Oral Agreement or Arrangements

Any alleged oral agreements or arrangements made by firms with any State agency or employee will be disregarded in any State proposal evaluation or associated award.

XII. Independent Price Determinations

In the proposals, firms must warrant, represent, and certify that the following requirements have been met in connection with this RFP:

- (a) The fees and costs proposed have been arrived at independently, without consultation, communication, or agreement for the purpose of restricting competition as to any matter relating to such process with any other organization or with any competitor.
- (b) Unless otherwise required by law, the fees and costs quoted have not been knowingly disclosed by the firm prior to the deadline for submission of proposals directly or indirectly to any other organization or to any competitor; and
- (c) No attempt has been made, or will be made, by the firm to induce any other person or firm to submit or not to submit a proposal for the purpose of restricting competition.

XIII. Offer of Gratuities

In the proposals, firms must represent that no elected or appointed official or employee of the State of Connecticut has, or will, benefit financially or materially from the Contract. The Contract may be terminated by the OAG if it is determined that gratuities of any kind were either offered to, or received by, any of state officials or employees from the firm, the law firm's agent(s), representatives(s) or employees(s). Such action on the part of the OAG shall not constitute a breach of contract on the part of the OAG.

XIV. Subletting or Assigning of Contract

The Contract or any portion thereof, or the work provided for therein, or the right, title, or interest of the firm therein or thereto may not be sublet, sold, transferred, assigned or otherwise disposed of to any person or entity without the prior written consent of the OAG. No person or entity, other than the firm to which the contract was awarded, is permitted to perform work pursuant to the Contract without the prior written approval of the OAG.

XV. Freedom of Information

The OAG is a public agency and its records, including responses to this RFP, are public records. See Conn. Gen. Stat. §§ 1-200, et seq., and especially § 1-210(b)(4) and § 1-210(b)(5)(B). Due regard will be given for the protection of proprietary or confidential information contained in all proposals received. However, all materials associated with this RFP are subject to the terms of the Connecticut Freedom of Information Act ("FOIA") and all applicable rules, regulations and administrative decisions. If a firm is interested in preserving the confidentiality of any part of its proposal, it will not be sufficient merely to state generally in the proposal that the proposal is proprietary or confidential in nature and not, therefore, subject to release to third parties. Instead, those particular sentences, paragraphs, pages or sections that a firm believes to be exempt from disclosure under the FOIA must be specifically identified as such. Convincing explanation and rationale sufficient to justify each exemption consistent with Section 1-210(b) of the FOIA must accompany the proposal. The rationale and explanation must be stated in terms of the reasons the materials are legally exempt from release pursuant to the FOIA. Firms should not request that their entire proposal, nor the majority of the proposal, be confidential. Any submitted proposal, once execution of a contract is complete, and any completed contract will be considered public information. The OAG has no obligation to initiate, prosecute or defend any legal proceeding or to seek a protective order or other similar relief to prevent disclosure of any information that is sought pursuant to a FOIA request. The firm has the burden of establishing the availability of any FOIA exemption in any proceeding where it is an issue. In no event shall the OAG have any liability for the disclosure of any documents or information in its possession which the OAG believes are required to be disclosed pursuant to the FOIA or other requirements of law.

XVI. Conformance with Federal, State and Other Requirements

In the Contract, the firm will represent and warrant that, at all pertinent and relevant times to the contract, it has been, is and will continue to be in full compliance with all Federal, State, municipal or other governmental department, commission, board, bureau, agency or instrumentality codes, statutes, acts, ordinances, judgments, decrees, injunctions and regulations.

XVII. Executive Orders

The Contract is subject to the provisions of Executive Order No. Three of Governor Thomas J. Meskill, promulgated June 16, 1971, concerning labor employment practices, Executive Order No. Seventeen of Governor Thomas J. Meskill, promulgated February 15, 1973, concerning the listing of employment openings and Executive Order No. Sixteen of Governor John G. Rowland promulgated August 4, 1999, concerning violence in the workplace, all of which are incorporated into and are made a part of the Contract as if they had been fully set forth in it. The Contract may also be subject to Executive Order No. Fourteen of Governor M. Jodi Rell, promulgated April 17, 2006, concerning procurement of cleaning products and services and to Executive Order No. Forty-Nine of Governor Dannel P. Malloy, promulgated May 22, 2015, mandating disclosure of certain gifts to public employees and contributions to certain candidates for office. If Executive Order Fourteen and/or Executive Order Forty-Nine are applicable, they are deemed to be incorporated into and are made a part of the contract as if they had been fully set forth in it. At the Consultant's request, the OAG shall provide a copy of these orders to the Consultant.

XVIII. Americans with Disabilities Act

The firm(s) to which contracts are awarded shall comply with the Americans with Disabilities Act and any other applicable federal laws and regulations.

XIX. Affirmative Action and Contract Compliance Reporting

Firms are advised that in addition to evaluating their qualifications, experience, capabilities, competitiveness of cost and conformance to this RFP specification, weight may also be given to firms which demonstrate a commitment to affirmative action by full compliance with the CHRO regulations.

XX. Campaign Contribution and Solicitation Ban

For all State contracts as defined in Conn. Gen. Stat. § 9-612 having a value in a calendar year of fifty thousand dollars (\$50,000) or more or a combination or series of such agreements or contracts having a value of one hundred thousand dollars (\$100,000) or more, the authorized signatory to the proposal in response to this RFP expressly acknowledges receipt of the State Elections Enforcement Commission's notice advising prospective state contractors of state campaign contribution and

solicitation prohibitions, and will inform its principals of the contents of the notice as set forth in the *Notice to Executive Branch State Contractors and Prospective State Contractors of Campaign Contribution and Solicitation Limitations* attached hereto as Exhibit 1 to the Request for Proposal.

Notice to Executive Branch State Contractors and Prospective State Contractors of Campaign Contribution and Solicitation Limitations

Acknowledgement of Receipt of Explanation of Prohibitions for Incorporation in Contracting and Bidding Documents

This notice is provided under the authority of Connecticut General Statutes § 9-612 (f) (2) and is for the purpose of informing state contractors and prospective state contractors of the following law (italicized words are defined on the reverse side of this page).

CAMPAIGN CONTRIBUTION AND SOLICITATION LIMITATIONS

No *state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor*, with regard to a *state contract or state contract solicitation* with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder, of a valid prequalification certificate, shall make a contribution to (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee (which includes town committees).

In addition, no holder or principal of a holder of a valid prequalification certificate shall make a contribution to (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of state senator or state representative, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

On and after January 1, 2011, no state contractor, prospective state contractor, principal of a state contractor or principal of a prospective state contractor, with regard to a state contract or state contract solicitation with or from a state agency in the executive branch or a quasi-public agency or a holder, or principal of a holder of a valid prequalification certificate, shall **knowingly solicit** contributions from the state contractor's or prospective state contractor's employees or from a *subcontractor or principals of the subcontractor* on behalf of (i) an exploratory committee or candidate committee established by a candidate for nomination or election to the office of Governor, Lieutenant Governor, Attorney General, State Comptroller, Secretary of the State or State Treasurer, (ii) a political committee authorized to make contributions or expenditures to or for the benefit of such candidates, or (iii) a party committee.

DUTY TO INFORM

State contractors and prospective state contractors are required to inform their principals of the above prohibitions, as applicable, and the possible penalties and other consequences of any violation thereof.

PENALTIES FOR VIOLATIONS

Contributions or solicitations of contributions made in violation of the above prohibitions may result in the following civil and criminal penalties:

Civil penalties—Up to \$2,000 or twice the amount of the prohibited contribution, whichever is greater, against a principal or a contractor. Any state contractor or prospective state contractor which fails to make reasonable efforts to comply with the provisions requiring notice to its principals of these prohibitions and the possible consequences of their violations may also be subject to civil penalties of up to \$2,000 or twice the amount of the prohibited contributions made by their principals.

Criminal penalties—Any knowing and willful violation of the prohibition is a Class D felony, which may subject the violator to imprisonment of not more than 5 years, or not more than \$5,000 in fines, or both.

CONTRACT CONSEQUENCES

In the case of a state contractor, contributions made or solicited in violation of the above prohibitions may result in the contract being voided.

In the case of a prospective state contractor, contributions made or solicited in violation of the above prohibitions shall result in the contract described in the state contract solicitation not being awarded to the prospective state contractor, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

The State shall not award any other state contract to anyone found in violation of the above prohibitions for a period of one year after the election for which such contribution is made or solicited, unless the State Elections Enforcement Commission determines that mitigating circumstances exist concerning such violation.

**DEFINITIONS**

“State contractor” means a person, business entity or nonprofit organization that enters into a state contract. Such person, business entity or nonprofit organization shall be deemed to be a state contractor until December thirty-first of the year in which such contract terminates. “State contractor” does not include a municipality or any other political subdivision of the state, including any entities or associations duly created by the municipality or political subdivision exclusively amongst themselves to further any purpose authorized by statute or charter, or an employee in the executive or legislative branch of state government or a quasi-public agency, whether in the classified or unclassified service and full or part-time, and only in such person’s capacity as a state or quasi-public agency employee.

Stat. § 46a-56; provided, if such Contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the Commission, the Contractor may request the State of Connecticut to enter into any such litigation or negotiation prior thereto to protect the interests of the State and the State may so enter.

SECTION 12: APPLICABLE EXECUTIVE ORDERS OF THE GOVERNOR

12.1 This Contract is subject to the provisions of Executive Order No. 3 of Governor Thomas J. Meskill, promulgated June 16, 1971, concerning labor employment practices, Executive Order No. Seventeen of Governor Thomas J. Meskill, promulgated February 15, 1973, concerning the listing of employment openings and Executive Order No. 16 of Governor John G. Rowland promulgated August 4, 1999, concerning violence in the workplace, all of which are incorporated into and are made a part of the Contract as if they had been fully set forth in it. The Contract may also be subject to Executive Order No. 14 of Governor M. Jodi Rell, promulgated April 17, 2006, concerning procurement of cleaning products and services and to Executive Order No. 49 of Governor Dannel P. Malloy, promulgated May 22, 2015, mandating disclosure of certain gifts to public employees and contributions to certain candidates for office. If Executive Order 14 and/or Executive Order 49 are applicable, they are deemed to be incorporated into and are made a part of the Contract as if they had been fully set forth in it. At the CONSULTANT's request, the ATTORNEY GENERAL or his designee shall provide a copy of these orders to the Contractor.

SECTION 13: CONFIDENTIALITY

13.1 All of the reports, information, data, and other papers and materials, in whatever form, prepared or assembled by the CONSULTANT under this Agreement are confidential, and the CONSULTANT shall not make them available to any individual or organization, other than in connection with the performance of those duties and responsibilities, without the prior written approval of the ATTORNEY GENERAL or his designee.

13.2 The ATTORNEY GENERAL will afford due regard to any request of the CONSULTANT for the protection of proprietary or confidential information which the ATTORNEY GENERAL receives from the CONSULTANT. However, all materials associated with the Agreement are subject to the terms of the Connecticut Freedom of Information Act ("FOIA") and all corresponding rules, regulations and interpretations. In making such a request, the CONSULTANT may not merely state generally that the materials are proprietary or confidential in nature and not, therefore, subject to release to third parties. Those particular sentences, paragraphs, pages or sections that the CONSULTANT believes are exempt from disclosure under the FOIA must be specifically identified as such. Convincing explanation and rationale sufficient to justify each exemption consistent with the FOIA must accompany the request. The rationale and

explanation must be stated in terms of the prospective harm to the competitive position of the CONSULTANT that would result if the identified material were to be released and the reasons why the materials are legally exempt from release pursuant to the FOIA. To the extent that any other provision or part of the Agreement, especially including the Records, conflicts or is in any way inconsistent with this Section, this Section controls and shall apply and the conflicting provision or part shall not be given effect. The ATTORNEY GENERAL shall not have any obligation to initiate, prosecute or defend any legal proceeding or to seek a protective order or other similar relief to prevent disclosure of any information that is sought pursuant to a FOIA request. The CONSULTANT shall have the burden of establishing the availability of any FOIA exemption in any proceeding where it is an issue. In no event shall the ATTORNEY GENERAL or the State have any liability for the disclosure of any documents or information in its possession which the ATTORNEY GENERAL believes are required to be disclosed pursuant to the FOIA or other requirements of law.

SECTION 14: MISCELLANEOUS

- 14.1 The sole and exclusive means for the presentation of any Claim, as defined in the Indemnification Section of this Agreement, against the State arising from this Agreement shall be in accordance with Chapter 53 of the Connecticut General Statutes (Claims Against the State). The CONSULTANT shall not initiate any legal proceedings in any State or Federal Court in addition to, or in lieu of, said Chapter 53 proceedings.
- 14.2 The Agreement shall be deemed to have been made in the City of Hartford, State of Connecticut. Both parties agree that it is fair and reasonable for the validity and construction of the Agreement to be, and it shall be, governed by the laws and court decisions of the State of Connecticut, without giving effect to its principles of conflicts of laws. To the extent that Chapter 53 of the Connecticut General Statutes does not apply and to the extent that any immunities provided by Federal law or the laws of the State of Connecticut do not bar an action against the State, and to the extent that these courts are courts of competent jurisdiction, for the purpose of venue the complaint shall be made returnable to the Judicial District of Hartford only or shall be brought in the United States District Court for the District of Connecticut only, and shall not be transferred to any other court, provided, however, that nothing here constitutes a waiver or compromise of the sovereign immunity of the State of Connecticut. The CONSULTANT waives any objection which it may now have or will have to the laying of venue of any Claims, as defined in the Indemnification Section of this Agreement, in any forum and further irrevocably submits to such jurisdiction in any suit, action or proceeding.
- 14.3 The parties each bind themselves, their partners, successors, assigns, and legal representatives with respect to all covenants of this Agreement.

- 14.4 This Agreement incorporates all the understandings of the parties and supersedes any and all agreements reached by the parties prior to the effective date of this Agreement, whether oral or written.
- 14.5 If any provision of this Agreement, or application to any party or circumstances, is held invalid by any court of competent jurisdiction, the balance of the provisions of this Agreement, or their application to any party or circumstances, shall not be affected, but only if the balance of the provisions of this Agreement would then continue to conform to the requirements of applicable laws.
- 14.6 The ATTORNEY GENERAL and the CONSULTANT shall not be excused from their obligation to perform in accordance with the Agreement except in the case of force majeure events and as otherwise provided for in the Agreement. In the case of any such exception, the nonperforming party shall give immediate written notice to the other, explaining the cause and probable duration of any such nonperformance. "Force majeure events" means events that materially affect the time schedule within which to perform and are outside the control of the party asserting that such an event has occurred, including, but not limited to, labor troubles unrelated to the CONSULTANT, failure of or inadequate permanent power, unavoidable casualties, fire not caused by the CONSULTANT, extraordinary weather conditions, disasters, riots, acts of God, insurrection or war.
- 14.7 The CONSULTANT shall not refer to services provided to the State for advertising or promotional purposes, including, but not limited to, posting any material or data on the Internet, without the ATTORNEY GENERAL's prior written approval.
- 14.8 The CONSULTANT shall notify the ATTORNEY GENERAL in writing no later than ten (10) days from the effective date of any change in (1) its certificate of incorporation or other organizational document, or (2) a controlling interest in the ownership of the CONSULTANT. No such change shall relieve the CONSULTANT of any responsibility for the accuracy and completeness of the performance. The CONSULTANT shall deliver such documents to the ATTORNEY GENERAL in accordance with the terms of the ATTORNEY GENERAL's written request. The ATTORNEY GENERAL may also require, and the CONSULTANT shall deliver, a financial statement showing that solvency of the CONSULTANT is maintained.
- 14.9 The parties shall provide such information, execute and deliver any instruments and documents and take such other actions as may be necessary or reasonably requested by the other party which are not inconsistent with the provisions of this Agreement and which do not involve the vesting of rights or assumption of obligations other than those provided for in the Agreement, in order to give full effect to the Agreement and to carry out the intent of the Agreement.

- 14.10 The CONSULTANT shall maintain accurate Records and shall make all of the Records available at all reasonable hours for audit and inspection by the State. This includes, but is not limited to accurate records and accounts of all expenditures under this Agreement as well as satisfactory evidence of payment to assure proper accounting. Such records and accounts shall be kept in the manner specified in the Representations and Warranties Section, and made available for six (6) years after the termination of this Agreement and shall be made available and furnished upon request to the ATTORNEY GENERAL or his designee on or before the tenth business day following the date of the written request. The CONSULTANT will cooperate fully with any and all audit or review of billing by the ATTORNEY GENERAL or any other agency, person, or entity acting on behalf of the ATTORNEY GENERAL or the STATE, and shall, upon request, provide billing in a format which will facilitate audit or review.
- 14.11 The CONSULTANT shall continue to perform its obligations under the Agreement while any dispute concerning the Agreement is being resolved.
- 14.12 The CONSULTANT shall be responsible for the entire performance under the Agreement. The CONSULTANT shall be the sole point of contact concerning the management of the Agreement, including performance and payment issues. The CONSULTANT is solely and completely responsible for adherence by the CONSULTANT Agents to all applicable provisions of the Agreement.
- 14.13 The waiver of a term or condition by the ATTORNEY GENERAL or his designee shall not (1) entitle the CONSULTANT to any future waivers of the same or different terms or conditions; (2) impose any duties, obligations or responsibilities on the ATTORNEY GENERAL or any Department not already in the Agreement, as amended, modified or superseded; or (3) subject the ATTORNEY GENERAL or the State of Connecticut or any department or agency thereof to any Claims.
- 14.14 If a disagreement arises between the parties to this Agreement as to whether or not the CONSULTANT has or may in the foreseeable future have a conflict of interest or there exists or may exist in the foreseeable future an appearance of impropriety, the ATTORNEY GENERAL's determination shall be final and dispositive of the issue. Where the ATTORNEY GENERAL determines that the CONSULTANT's representation of any client constitutes a conflict of interest, or creates an appearance of impropriety, the CONSULTANT shall, within five days of the posting of notice by the ATTORNEY GENERAL or his designee to the CONSULTANT, withdraw from the representation of the client, unless such a withdrawal is barred by law or order of a court of competent jurisdiction or the ATTORNEY GENERAL waives such conflict. Nothing in this subsection shall be construed as restricting or otherwise limiting CONSULTANT's rights under the Termination and Cancellation Section of this Agreement.
- 14.15 Unless the ATTORNEY GENERAL designates otherwise in writing, all Records generated or collected by the CONSULTANT, the CONSULTANT agent or any subcontractor, in the scope of their work under this Agreement are the exclusive

property of the State of Connecticut and no one else shall have any right, including but not limited to, intellectual property, copyright and trademark rights, in those Records.

- 14.16 References in the masculine gender shall also be construed to apply to the feminine and neuter genders, as the content requires.
- 14.17 The parties acknowledge and agree that nothing in the ATTORNEY GENERAL's request for proposals or the Agreement shall be construed as a modification, compromise or waiver by the State of any rights or defenses of any immunities provided by Federal law or the laws of the State of Connecticut to the State or any of its officers and employees, which they may have had, now have or will have with respect to all matters arising out of the Agreement. To the extent that this Section conflicts with any other section, this Section shall govern.
- 14.18 Any notice required or permitted to be given under this Agreement shall be deemed to be given when hand delivered or one (1) business day after pickup by any express delivery service, in either case addressed to the persons identified in the Agreement Administration Section of this Agreement, or in each case to such other person and/or address as either party may from time to time designate by giving notice in writing to the other party. Telephone and facsimile numbers are for informational purposes only. Effective notice will be deemed given only as provided above. All notices, demands, requests, consents, approvals or other communications required or permitted to be given or which are given with respect to this Agreement (for the purpose of this Section collectively called "Notices") shall be deemed to have been effected at such time as the notice is placed in the U.S. mail, first class and postage pre-paid, return receipt requested, or, placed with a recognized, express delivery service that provides for a return receipt. All such Notices shall be in writing and shall be addressed as follows:

- 14.21 This Agreement may be executed and delivered in any number of counterparts, each of which so executed and delivered shall be deemed to be an original and all of which shall constitute one and the same instrument.
