2022 Healthy Relationships Series Virtually

Communicating with your Family Members and People
you Work with about Relationships and Sexuality

DDS

Adults with intellectual and developmental disabilities want and deserve close and satisfying relationships. As the trusted person in their lives, you are the best person to support your family member through the ups and downs of love and relationships.

This workshop is open to all parents, siblings, family caring for their adult family member with disabilities. This workshop will focus on what and how to talk about intimate relationships and learn new ways to support their family members to have healthy and fulfilling relationships.

Workshop Presenters: Taz and Self-Advocate Coordinators
