Lloyd Rogers

4/20/36 20 MN *Castanea mollissima*
May, 1936. "I only received 18 trees in my shipment and they were in pretty bad condition when received. Out of these 18, there are 15 still living. I have watered them several times, but have not mulched them - this I will try to do within next day or two." Located 1 mi NE of Winchester & 5 mi NW of Cowan
