  5 41358 C. pumila x crenata
  5 41360 do.

Ukiah, Calif
Fritz Obberhardt
148 Gibson St

1/24/38 - 4 #66037 C. mollissima
  2 41360 C. pumila x crenata

7/16/46 - None of these trees "a success." All died within first year either from frost or were burned by the extreme heat. One tree planted on Mr. Obberhardt's lawn died alive but a neat sheath - no sign of nuts & very little foliage.
