## CAES SEMINAR SERIES

# “Growing Hemp in Connecticut: What We Learned from the 2019 Field Season”

**Dr. Shuresh Ghimire**

**Assistant Extension Educator-Extension Vegetable Specialist, University of Connecticut Extension**

**Wednesday, February 19, 2020**

12:00 noon to 1:00 p.m.

Food and coffee will be available at 11:45 a.m.

**Jones Auditorium**

**The Connecticut Agricultural Experiment Station  
123 Huntington Street, New Haven, CT**

As the dust is settling following the first hemp season in Connecticut, we have the opportunity to reflect on what worked, what didn't, and what changes can be made moving forward. This presentation will cover basic production practices, farmer experiences with growing, harvest, and post-harvest considerations.
