Attached please find the Environmental Assessment Summary for the above referenced project. Scoping for the project began on May 7, 2013 and ended on May 17, 2013.

The Department of Public Health (DPH) received comments from Department of Energy & Environmental Protection (DEEP) on March 17, 2013. The DPH will coordinate with Torrington Water Company to ensure that the DEEP's recommendations will be considered and implemented. Based on the comments received, it is recommended that an Environmental Impact Assessment (EIE) is not warranted for this project. Should you have any questions, please contact me at (860) 509-7333.
