

**The State of Connecticut Commission on Fire Prevention and Control is pleased to offer fire service certification to members of the Connecticut fire service. Certification is an excellent means by which an individual may measure his/her knowledge, skills, and abilities, against a national standard. As indicated below, the Commission currently several levels of certification based on the most current NFPA standards. All of the Commission's certification levels have been accredited by The ProBoard Fire Service Professional Qualifications Systems and the International Fire Service Accreditation Congress. Candidates must meet all prerequisites prior to applying for examination**
